COLOR OUTSIDE THE LANES.

This MINI Cooper might only have two doors, but it makes one heck of an entrance with signature round headlights, high-contrast features, and heart-warming hues.

DESIGN

Unlock night vision

Set yourself apart with three distinct LED headlight and taillight signatures. Plus, get a warm welcome in and out with light orchestrations upon entrance and exit.

Reinvent the wheels

Customization is in your court with multiple wheel designs and sizes to choose from. Enjoy standard 17" wheels and up to 18" wheels available.

Puts the model in make and model

Radiant hues like Ocean Wave Green Metallic and Sunny Side Yellow pop against the sleek design of the 2 Door, while customizable roof colors serve as the cherry on top.

High-quality comfort

Feel at peace in a leather and chrome-free cabin with premium 2D-knit fabrics, made from recycled materials, adding a dynamic touch to the dashboard and door panels.

Play the center

The MINI Toggle Bar is your one stop shop for interacting with the parking brake, MINI Experience Modes, radio, gears, and more.

Skyline views come standard

With an expansive Panoramic Moonroof at no additional cost, sky blues and sunset hues become staples of every ride.

ALWAYS ONE TURN AHEAD.

With advanced tech and safety features powered by BMW Group—like standard MINI Intelligent Personal Assistant and available Parking Assistant Plus—the MINI Cooper 2 Door anticipates every need and next move seamlessly.

TECHNOLOGY

Expect the latest. Get the greatest.

Enjoy seamless searching and scrolling with MINI Operating System 9—which offers a MINI-specific user interface with touch and voice control, Remote Software Upgrades, Intelligent Cloud-Based Navigation, and more.

Experience true connection

MINI Connected is a suite of intelligent services that focus on real-time services like traffic updates and remote services to ensure connectivity between your car, phone, and external services.

Personal Assistant

When in doubt, talk it out. Your virtual copilot, the MINI Intelligent Personal Assistant, can lend a hand with everything from switching routes to switching songs.

CarPlay® & Android Auto™

Standard wireless Apple CarPlay® and Android Auto™ allow you to seamlessly connect your media for endless entertainment.

Remote Software Upgrade

Remote Software Upgrade is a convenient, stress-free way to get the newest functions and features.

Head-Up Display

Standard Head-Up Display presents key driving information, including navigation, speed, and alerts, while allowing you to keep your eyes on the road.

SAFETY FEATURES

Active Blind Spot Detection

With available Active Blind Spot Detection, visual cues in exterior mirrors alert the driver to hazards in blind spots, with steering wheel vibration and collision avoidance systems activating when changing lanes.

Lane Departure Warning

With available Lane Departure Warning, a multi-camera array helps keep the vehicle centered in its lane and alerts the driver to any unintentional drift.

Frontal Collision Warning

Available Frontal Collision Warning alerts the driver to potential collision threats and automatically activates the brakes if immediate intervention is needed.

Rear Cross Traffic Warning

Available Rear Collision Prevention provides visual and audible alerts to help the driver avoid potential collisions when reversing.

Drive Recorder

The system detects accident situations and automatically records data around your MINI.

High Beam Assist

A driver assistance feature that automatically switches between high and low beams based on lighting conditions and traffic.

PERFORMANCE

DELIGHTFULLY DECEPTIVE.

The JCW 2 Door might be short and sweet, but with a turbocharged engine delivering the best horsepower and torque in the Cooper family, it's practically impossible to beat.

Engineering PERFECTION.

Experience excellence in motion—every inch and aspect of a John Cooper Works is designed to go the extra mile, especially when it comes to horsepower and torque.
