Super Cruise

Super Cruise compatible roads have more than tripled since 2018 and will continue to grow. Under the proper conditions with an attentive driver, Super Cruise driver assistance technology can permit hands-free operation of the vehicle.

Up to 14 Camera Views

Navigate tight parking lots and maneuver your pickup truck and trailer with confidence, using up to 14 available camera views.

Large Digital Displays

Enjoy a sophisticated and connected driving experience offering over 40" diagonal of combined driver-focused digital displays.

Available Prograde Trailering System

Streamline the hitching and towing process with integrated tools that help your light duty truck tow with commanding control and confidence.

INTERIOR

Premium Materials

From available leather appointments to heated and ventilated power-adjustable front outboard seats, you'll find thoroughly crafted details for ultra-premium comfort.

Spacious Crew Cab

The Sierra 1500 light-duty truck offers best-in-class Crew Cab front head- and legroom, so you can comfortably enjoy more of your own space.

Smart & Ample Storage

Whether it's supplies for work or gear for the weekend, there's plenty of space in your full-size to store your materials without compromising interior comfort.

Carbonpro Composite Bed

The available GMC CarbonPro Composite Bed offers best-in-class* short bed cargo volume* (63.9 cu. ft.) making for more cargo space than any other competitor.

- Carbon-fiber composite material
- Excellent scratch, dent and corrosion resistance
- 12 tie-downs: three in each corner rated at 500 lbs. per corner

Distinct Grilles

- Vader Chrome finish on Denali Ultimate
- Gloss-black upper and dark nickel inserts on AT4X
- Signature chrome grille on Denali
- Chrome header and chrome grille insert bars with gloss-black accents on SLT
- Body color header with gloss-black mesh inserts on Elevation

CAPABILITY

Turbomax™ Engine: Two Powerful Forces Come Together

The TurboMax™ engine delivers 310 horsepower, 430 lb.-ft. of best-in-class* standard torque, available max towing of up to 9,500 lbs.* and a 5 years/100,000 miles Powertrain Limited Warranty.

6.2L V8 Engine

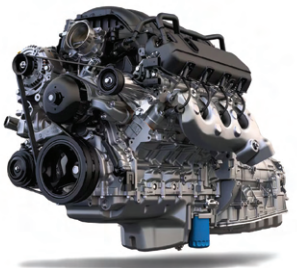

- 420 horsepower
- 460 lb.-ft. of torque
- 15 city/19 hwy/MPG
- Dynamic Fuel Management
