A DECADE OF DEPENDABILITY

America's Most Awarded Heavy Duty Truck for Dependability

The JD Power 2026 U.S. Vehicle Dependability Study focuses on problems experienced by original owners of 3-year-old vehicles across nine major vehicle categories including:

- Climate
- Driving Assistance
- Driving Experience
- Exterior
- Features/Controls/Displays
- Infotainment
- Interior
- Powertrain
- Seats

TRAILERING AND TOWING

Capability for every occasion

Whatever you're hauling, hitch up with confidence knowing every Silverado HD Dually paired with the available Duramax 6.6L Turbo-Diesel V8 can pull over 30,000lbs.* And 2500 HD delivers segment-leading* maximum Crew Cab towing capability of 22,070 lbs.

10-speed Allison® automatic transmission - Gas and diesel

19,080 lbs.* Max available towing - Gas

36,000 lbs.* Max available towing - Diesel

CAMERA TECHNOLOGY

A confident point of view

Whether you're hitching up, backing out or just making your way down the road, you'll get a better view of the world around you with 8 available cameras with up to 14 views.* Plus there's smart tech available to help* make trailering easier, like an in-vehicle trailering app* and technologies to help with safety for the long haul.

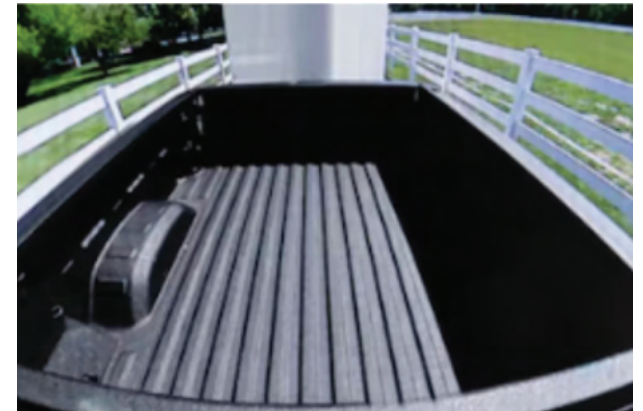

Hitch view

A close-up view of the hitch for easier alignment when connecting a trailer.

Transparent trailer view

Allows driver to “see through” a compatible trailer, even when using an available fifth-wheel or gooseneck hitch.

Bed view

Allows driver to see the cargo bed to help with fifth-wheel or gooseneck hitching, or to briefly check on cargo. Silverado 1500 shown.

INTERIOR

From cabin to command center

From clocking in for the day to getting away for the weekend, a spacious and driver-centric interior helps you stay comfortable and connected on every drive.

SPECIAL EDITIONS

Stars & Steel* Edition

With hardworking credentials as American* as the people who drive it, this special edition includes:

- American-flag-inspired stripes and commemorative details
- 20" high-gloss Black Wheels
- Z71 Off-Road Package
- Off-Road high-clearance assist steps
- Max Trailering Package and Gooseneck/5th Wheel Prep Package
- Available on LTZ with the Trail Boss Package in Summit White or Black

SPECIAL EDITIONS

High Country Midnight Edition

Blacked-out features and a dominating presence make High Country Midnight Edition impossible to ignore.

- Black Ice grille bar and accents
- Black skid plate, badging, mirror caps, door handles, hood vent and bumpers
- Black power-retractable assist steps
- Available only in Black exterior color
- 20-inch high-gloss Black-painted aluminum wheels
- Available 22-inch high-gloss Black-painted aluminum wheels

ZR2 Bison Edition

Building on a proven partnership with AEV, ZR2 Bison takes off-road capability to the extreme.

- AEV high approach cut steel bumpers
- AEV stamped steel skid plates
- AEV embroidered head restraints
- AEV 18-inch wheels

Z71 Chrome Sport Edition

Chrome accents bring next-level polish to the Z71 Chrome Sport Edition.

- Chrome door handles, skid plate, grille inserts and mirror caps
- Body-color bumpers and grille bar
- Available in Summit White or Black exterior colors
- 20-inch polished-aluminum wheels
- 6-inch chrome assist steps
- Available on LT and LTZ

DURABED

Made for whatever comes your way

Silverado HD delivers the hardest-working bed in the business with high-strength roll-formed steel construction, more cargo volume than any other competitor* and 12 standard tie-downs rated at 500 lbs.* per corner.

LED cargo area and perimeter lighting - Available

120-volt outlet - Outlet (available)

12 tie downs - Standard

83.5 cu. ft. - More cargo volume than any competitor

Integrated BedSteps and CornerStep rear bumper

Integrated BedSteps provide easy access to the front of the bed, even with a fifth-wheel or gooseneck trailer hitched. The CornerStep rear bumper is large enough to accommodate work boots.

AVAILABLE MULTI-FLEX TAILGATE

Six functions, one flexible tailgate:

- Primary gate: Opens from the key fob, a switch inside the truck or a button on the gate.
- Primary gate load stop: Helps prevent extra-long items from sliding out of the bed.
- Easy access: The inner gate folds down, allowing you to reach farther into the bed.
- Full-width step: The inner gate folds down into a large step for easy access, capable of holding up to 375 lbs.
- Inner gate load stop: Helps prevent second-tier items from sliding out of the bed.
- Inner gate with work surface: When opened, provides a place for a laptop or blueprints, as well as second-tier loading.

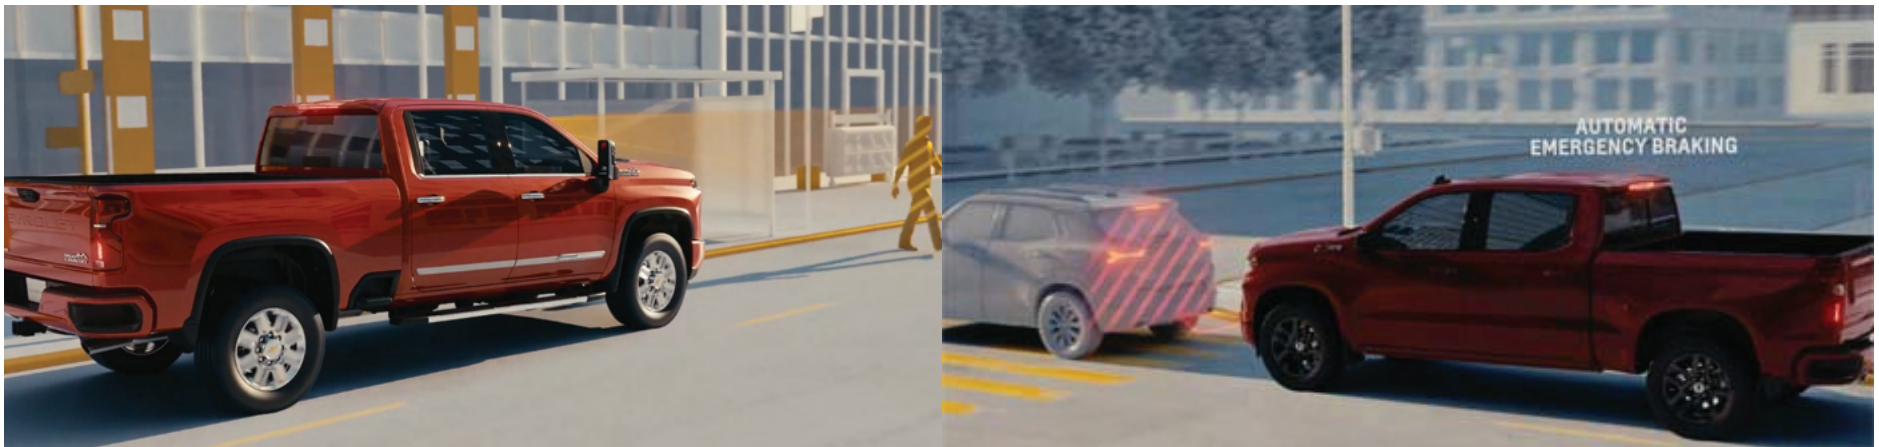

SAFETY

Confidence for the long haul

Every Silverado HD comes with standard advanced safety and driver assistance features* for added confidence every time you get in your truck.

- Automatic emergency braking
- Front pedestrian braking
- Lane keep assist
- Forward collision alert
- Following distance indicator
- IntelliBeam®

Actively on your side

- Side bicyclist alert
- Rear pedestrian alert
- Rear camera mirror
- High definition surround vision
- Rear park assist
- Safety alert seat

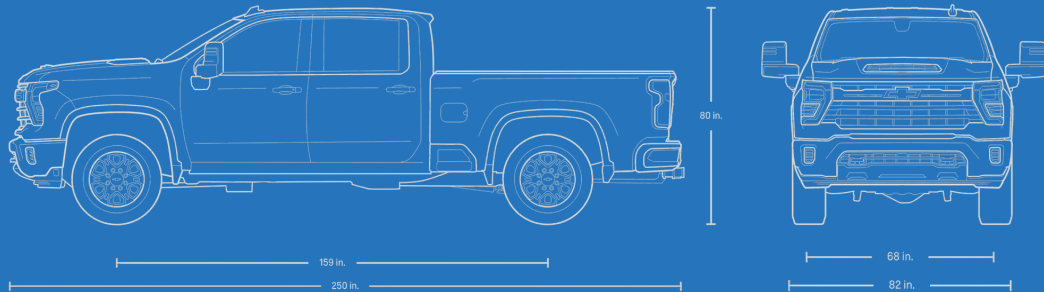

Teen Driver

Chevrolet offers teen driver technology, a built-in system that helps you coach your new driver — even when you're not there. It lets you set a speed alert, a volume limit and more — and with the industry's first and only in-vehicle report card,* it's easy to track your teen's driving performance

OnStar Protect

With OnStar, an advisor is ready to help 24/7. Whether you're in a crash, need assistance recovering a stolen vehicle, or find yourself facing a crisis or emergency, you'll get help from a specially trained OnStar advisor.
