Ready for what's next

The All-New 2025 Equinox is here to help you do the activities you want to do. Its spacious and versatile interior provides comfort and convenient driver technologies. Add a dynamic, eye-catching exterior and you've got a crossover SUV loaded with smart style and practical dependability. It's Equinox taken to a whole new level.

J.D. POWER

Equinox has quality and dependability that go the distance

The Equinox ranked #1 for new vehicle quality among Compact SUVs in 2023 and #1 for long-term dependability among Compact SUVs in 2024 according to J.D. Power. So, right from the start and years down the road – you can trust Equinox to take you where you want to go.

Uncompromising quality

Equinox is America's Most Awarded Compact SUV for Quality, 2015-2024, according to J.D. Power. Enjoy award-winning excellence from the first drive and beyond.

DESIGN

Sets the bar on style

From its bold grille to its stylish taillamps, and everything in between, the All-New 2025 Equinox stands out. With the adventurous ACTIV and style-driven RS, Equinox offers stunning looks and features that make it one of the most exciting SUVs to drive.

All-new exterior

Strong lines and a confident stance

Commanding view

A new perspective from behind the wheel

Available two-tone roof

For contrasting color combinations

FIRST-EVER ACTIV

Let the journey begin

The first-ever ACTIV model gives Equinox off-road appeal so you can embark on your next quest with style and confidence.

Adventurous appearance

Looks great on the road or off the map

Over-the-top looks and function

The available two-tone roof adds more wow to ACTIV, while roof rails let you take larger gear with you.

All-terrain tires

Added grip for a variety of situations

Refined interior

Evotex and sueded microfiber seating surfaces with ACTIV stitched into the head restraints.

Uniquely tuned suspension

Giving ACTIV a distinctive ride

Convenient center console with pass-through

Holds electronics, beverages and anything you need close at hand.

ALL-NEW RS

The show stealer

A whole new take on RS gives Equinox a strong, spirited feel with stylish features, like its unique RS-only grille and front fascia, flat-bottom steering wheel and next-level tech.

- Black emblems and badging
- 19-inch machined wheels
- Unique lower fascia and Black grille
- Torch Red and Santorini Blue interior stitching
- RS debossed front-seat head restraints
- Available Black two-tone roof
- Black roof rails and mirror caps

SPECIAL EDITIONS

Dark and daring

Make a stylish statement any time of the day with the all-black Equinox Midnight Edition, available on the LT model.

- High-gloss Black mirror caps
- 19-inch Black wheels
- Black roof rails
- Black grille and bowties

CARGO

Loaded with possibilities

With an interior space designed for maximum cargo size and capacity, Equinox gives you the room to do what you like when you like. The roomy cargo area, coupled with the flexibility of folding seats, let you comfortably fit cargo of just about any size or shape. And if you need an extra hand loading up, you have the convenient, available hands-free Autosense Power Liftgate.

63.5 cu. ft.* max cargo volume

Room to haul your equipment, supplies or luggage

Folding 60/40 split-bench seat

Added flexibility for all your cargo's shapes and sizes

Hidden storage

Under rear cargo floor to help protect and keep items from view

TECHNOLOGY

Innovation inside

Available OnStar®* provides Equinox drivers with a variety of safety, entertainment and convenience features — including 24/7 access to live OnStar advisors, on-demand vehicle diagnostics, HD streaming, In-Vehicle Apps and more.

Wireless Apple CarPlay®* and Android Auto™ compatibility

Cord-free phone integration

11.3-inch diagonal infotainment touch-screen

A large display for engaging infotainment

Google built-in

Access apps and more using voice commands with Google Assistant

PERFORMANCE & CAPABILITY

Always up for it

With innovative features and an efficient 1.5L Turbo engine, Equinox provides power and capability to help you do more during the day and get more out of your nights.

1.5L turbo engine

Efficient performance

Available all-wheel drive

Traction on demand

Up to 1,500 lbs. towing

Haul more when you need to

SAFETY

Surrounded by confidence

The 2025 Equinox comes standard with Chevy Safety Assist, a package of six advanced safety and driver assistance features, including:

- Automatic Emergency Braking
- Front Pedestrian Braking
- Lane Keep Assist with Lane Departure Warning
- Forward Collision Alert
- Following Distance Indicator
- IntelliBeam®
