DESIGN

CHARACTERFUL DETAILS

Raised hood, sculpted grille and precise detailing. Reductive surfaces add Defender vehicle's modern and compelling proportions.

CONFIDENT STANCE

Wheels ranging from 19 to 22-inch mean Defender 110 combines presence with off-road prowess.

ENDURING ELEMENTS

The Alpine lights pay homage to the original Defender, keeping you immersed in your surroundings, with the signature graphic adding to its personality.

DISTINCTIVE SHAPE

The solid shoulders, rear mounted spare wheel and side opening tailgate reinforce Defender 110 vehicle's distinctive shape.

CAPABILITY

CARRYING

Bring even more, with the 370 lbs dynamic roof load. Once you're parked up, the 661 lbs static load means your adventure continues overnight with the Rooftop Tent.

TOWING

Respond to the toughest of demands with a towing capacity of up to 7,716 lbs. Advanced Tow Assist allows you to reverse a trailer while Defender takes care of the counter steering.

WINCHING

A demonstration of hauling power and sheer strength, the electric winch has a maximum pulling force of 10,000 lbs and can be operated via remote control up to 148 ft away.

WADING

Confidently cross water, with Defender 110 vehicle's 35 inch wading depth and 3D Surround Camera with Wade Sensing. Go even further with Defender OCTA vehicle's one meter wading depth.

FOCUSED TECHNOLOGY

NEXT-GENERATION PIVI PRO

Stay connected with the intuitive Pivi Pro16 infotainment system, featuring an 11.4-inch central Touchscreen that puts intuitive control at your fingertips.

3D SURROUND CAMERA

Move with confidence. 3D Surround Camera with ClearSight Ground View offers a 360° view of your surroundings, helping you maneuver on various terrain.

INTUITIVE DRIVER DISPLAYS

Stay informed with the 12.3-inch Interactive Driver Display, allowing you to customize the vehicle and journey data shown. Project key information onto the windshield with the optional Head-up Display.

FOCUSED TECHNOLOGY

IMMERSIVE SOUND

Experience concert hall audio quality with Meridian™, and immerse yourself even more with Defender OCTA vehicle's Body and Soul Seat.

CONNECTED CONVENIENCE

Access Amazon Alexa²⁹ and Spotify through Online Pack, with software-over-the-air (SOTA) keeping your vehicle up to date.

UNOBSTRUCTED VIEWS

Fully load the trunk and get a full, unobstructed view through the ClearSight rear view mirror video live feed.

DRIVER ASSISTANCE

Choose from a range of innovative technologies designed to make driving and parking simpler.
