- 3.7 seconds acceleration
- 603 hp power @ 5,750-6,500 rpm

SUV & COUPE

LED HEADLAMPS AND TAIL LAMPS

The GLE's 100% LED lighting enhances how you see and how you're seen. Headlamps are available with Intelligent Light technology. Running lamps and taillamps help get you noticed.

ALUMINUM ROOF RAILS

Aerodynamically designed and ready for accessory attachments, the GLE's roof rails add function with style. They're clad in brushed aluminum, or coated black with the Night Package.

AVAILABLE AMG STYLING

The AMG Line Exterior adds aggressively sculpted front and rear bumpers, color-keyed fender flares, and a selection of AMG® wheels from 20 to 22 inches.

AVAILABLE PANORAMA ROOF

A giant expanse of tinted glass, including a power-tilt/sliding panel, brings the sun and stars to the first and second seating rows. A power sunshade helps keep the sun's rays away.

AVAILABLE ILLUMINATED RUNNING BOARDS

Rubber-studded for more secure footing, the sleek running boards help make entry and exit easier. Nighttime down lighting further facilitates your step.

HEATED POWER FRONT SEATS

Each front seat is power-adjustable via intuitive seat-shaped switches on the door. Three memory stations save your settings. Heating and power lumbar supports are standard as well.

AVAILABLE BURMESTER SURROUND SOUND

One of Germany's most revered names in home audio, Burmester® has created a 13-speaker, 590-watt surround sound experience with Dolby Atmos® and elegant metal speaker grilles.

64-COLOR AMBIENT LIGHTING

A network of LEDs outlines the cabin and casts a subtle glow into the footwells. You can select from 64 colors, including multicolor and sequencing motifs.

AVAILABLE MASSAGING FRONT SEATS

Multicontour front seats, included in Pinnacle Trim, feature precisely adjustable support, a variety of soothing massage programs, and a rapid-heating feature.

FLEXIBLE REAR CABIN

The 2nd-row seats can fold in a 40/20/40-split for cargo versatility or recline for added comfort. A 50/50-split folding third row is optional as well.

BLIND SPOT ASSIST WITH EXIT WARNING

Standard safety innovations can help make driving on multilane roadways safer. After parking, Exit Warning Assist can help alert passengers if it's not safe to open a door.

PROACTIVE SAFETY

A GLE can help protect you by taking action before a collision occurs. PRE-SAFE® can adjust the front seats and seat belts, and even prepare your hearing, in the seconds before impact.

SURROUND VIEW SYSTEM

For easier maneuvering in tight spaces, standard technology can compose the views of front, rear and side cameras into a virtual birdseye view on the in-dash screen.

ARTIFICIAL INTELLIGENCE, GENUINE SMARTS

MBUX (the Mercedes-Benz User Experience) features an AI-powered, multilingual virtual voice assistant. It can also learn and update over time, and over the air.

DUAL DIGITAL DISPLAYS

Vivid 12.3-inch color screens are set seamlessly side-by-side: A reconfigurable instrument cluster, and a central multimedia touchscreen for audio, standard MB Navigation and more.
