## PERFORMANCE

### Relentless in its pursuits

Colorado is the rugged midsize truck with the right tools to exceed expectations.

---

**TurboMax® engine**

Standard

**8-speed transmission**

Enhanced

**430 lb.-ft.**

Best-in-class standard torque

## DRIVE MODES

### **Off-road**

Offers more traction on loose surfaces like grass, mud, gravel or deep snow.

### **Terrain**

Perfect for tackling steep hills or crawling over obstacles. Can also automatically apply the brakes for enhanced climbing control.

### **Baja**

Exclusive to ZR2, this mode optimizes power delivery, stability and traction control when driving over sandy terrain.

### **Available Tow/Haul**

If equipped, optimizes performance when towing or hauling a heavy load.

### **Normal**

The default mode that optimizes performance for your everyday drive.

## Designed to do more

Offering up to 17 available tie-downs and available StowFlex® tailgate, the rugged and sporty Colorado helps push the limits of what a midsize pickup can accomplish.

Colorado offers flexible bed and tailgate functionality to fit your needs.

- Mid-position tailgate capable of supporting 500 lbs.
- Available built-in 120-volt power outlet
- Cargo bed lighting
- Built-in tailgate measurement tool

# TECHNOLOGY

## **Keeping it all connected**

Colorado offers convenience wherever you go with standard Google built-in,\* Apple CarPlay®\* and Android Auto compatibility.

**11.3-inch diagonal center touch-screen**

**Available wireless phone charging**

**Available underbody cameras**

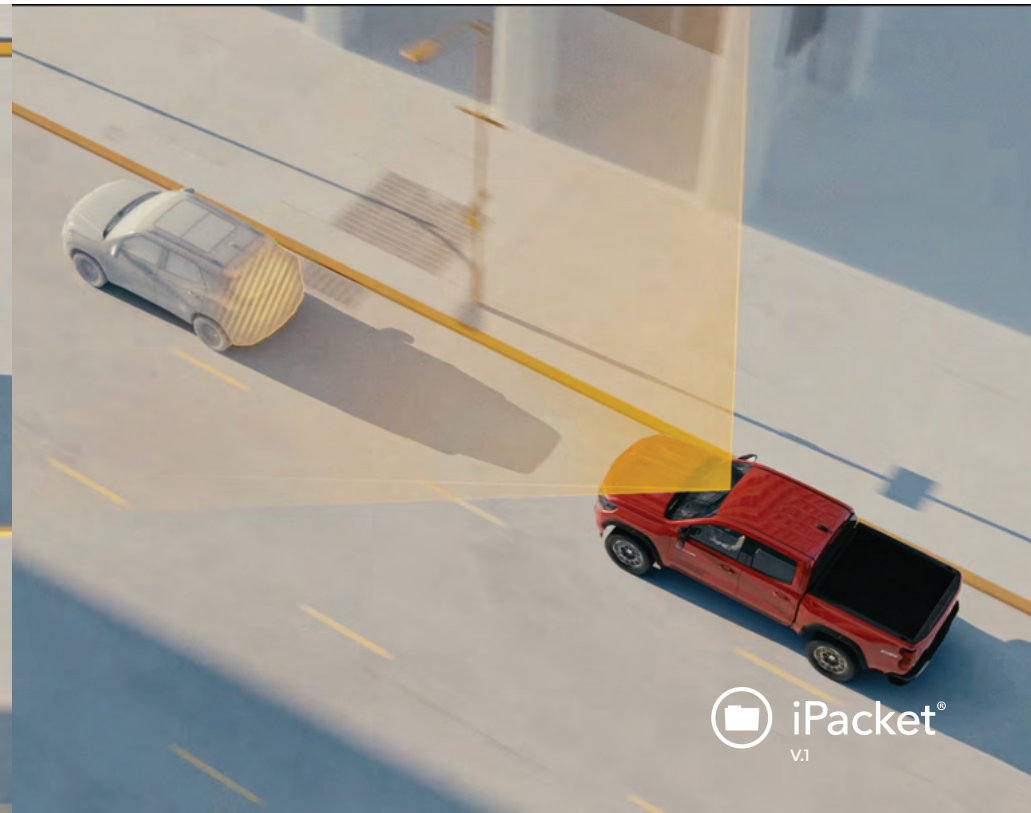

# SAFETY

## Attention to safety

The 2026 Colorado comes with standard Chevy Safety Assist, a package of six advanced safety and driver assistance features that help you approach every adventure with care.

- Forward Collision Alert
- Automatic Emergency Braking
- Front Pedestrian Braking
- Lane Keep Assist with Lane Departure Warning
- Following Distance Indicator
- IntelliBeam® Auto High Beams
