- Available two-tone white roof

Equinox EV

As America's most affordable 315+ mile range EV, the head-turning Equinox EV is bringing a whole new energy to electric vehicles.

DESIGN

Unmistakable style

The 2026 Equinox, with its bold grille and sleek taillamps, is a standout. The sporty RS and adventure-ready ACTIV complement a variety of lifestyles, making Equinox one of the most exciting SUVs to drive.

Inspired exterior

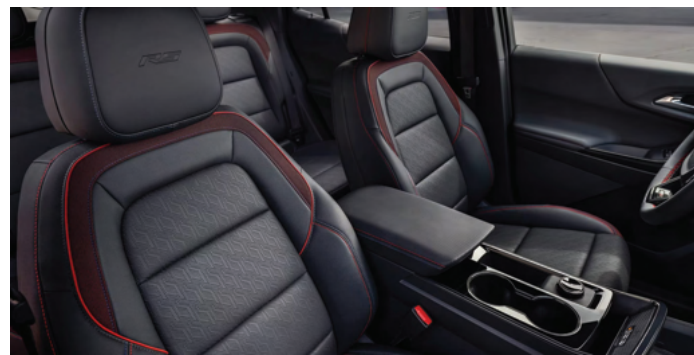

Strong lines and a confident stance

Commanding view

An impressive perspective from behind the wheel

Available two-tone roof

For contrasting color combinations

Unique grille and front fascia

Each model has its own grille and front fascia that provide a modern look.

Finish stitching

Sophisticated stitching elevates the seating with a premium look and feel. A perfect complement to the Evotex on RS and Evotex and suedex and microfiber seating surfaces on ACTIV.

Large, innovative screens

Equinox now has an 11.3-inch diagonal infotainment touch-screen and an 11-inch diagonal Driver Information Center, making it easier to interact with key vehicle information, navigation, apps, music and more.

ACTIV

A sense of adventure

ACTIV gives Equinox a rugged off-road appearance that'll see you through one exciting quest after another.

Adventurous appearance

Looks great on the road or off the map

All-terrain tires

Added grip for a variety of situations

Uniquely tuned suspension

Giving ACTIV a distinctive ride

Over-the-top looks and function

The available two-tone roof adds more wow to ACTIV, while roof rails let you take sizable gear with you.

Refined interior

Evotex and sueded microfiber seating surfaces with ACTIV stitched into the head restraints.

Convenient center console with pass-through

Holds electronics, beverages and anything you need close at hand.

Drive in the spotlight

The spirited Equinox RS can be recognized by stylish features, like its unique RS-only grille and front fascia, flat-bottom steering wheel, and Black emblems and badging.

- Black emblems and badging
- 19-inch machined wheels
- Unique lower fascia and Black grille
- Torch Red and Santorini Blue interior stitching
- RS debossed front-seat head restraints
- Available Black two-tone roof
- Black roof rails and mirror caps

CARGO

Loaded with possibilities

With an interior space designed for maximum cargo size and capacity, Equinox gives you the room to do what you like when you like. The roomy cargo area, coupled with the flexibility of folding seats, let you comfortably fit cargo of just about any size or shape. And if you need an extra hand loading up, you have the convenient, available hands-free Autosense Power Liftgate.

63.5 cu. ft. max cargo volume

Room to haul your equipment, supplies or luggage

Folding 60/40 split-bench seat

Added flexibility for all your cargo's shapes and sizes

Hidden storage

Under rear cargo floor to help protect and keep items from view

TECHNOLOGY

Everyday innovation

Features like Adaptive Cruise Control, Wireless Apple CarPlay® and Android Auto™ compatibility, and OnStar® provide you with a variety of safety and driver assistance, entertainment and convenience features to help you get more done — daily.

Wireless Apple CarPlay® and Android Auto™ compatibility

Conveniently charge your phone while on the go

11.3-inch diagonal infotainment touch-screen

A large display for engaging infotainment

Google built-in

Access apps and more using voice commands with Google Assistant

PERFORMANCE & CAPABILITY

Power forward

With features like the standard Drive Mode Selector and an efficient 1.5L Turbo engine, Equinox provides power and capability to help you get more out of your journey.

175 hp

Efficient performance

Available all-wheel drive

Traction on demand

Up to 1,500 lbs. towing

Haul more when you need to

SAFETY

Assisted confidence

The 2026 Equinox comes with over 15 standard safety and driver assistance features, including Chevy Safety Assist — a package of six advanced features comprised of:

- Automatic Emergency Braking
- Front Pedestrian Braking
- Lane Keep Assist with Lane Departure Warning
- Forward Collision Alert
- Following Distance Indicator
- IntelliBeam®
