INTERIOR

16.8" Diagonal Premium GMC Infotainment System

Control your favorite in-vehicle entertainment with a customizable command center and Google built-in* compatibility.

Ultimate Premium

Along with Ultimate badging, AT4 Ultimate features Obsidian Rush full-grain leather seating surfaces and Denali Ultimate features Woodland Mahogany full-grain leather seating surfaces.

Second-Row Executive Seating

Whether it's supplies for work or gear for the weekend, there's plenty of space in your full-size to store your materials without compromising interior comfort.

Power-Sliding Center Console

New available second-row executive seating offers heated and ventilated luxury captain's chairs with massage feature, 6-way power seat adjusters, and stainless steel Bose head-restraint speakers – part of up to 22 total speakers.

Panoramic Sunroof

This available feature includes dual panes with tilt sliding, express-open and express-close, and a power sunshade – standard on AT4 Ultimate and Denali Ultimate.

Premium Bose System

Enjoy powerful sound from Bose, with 18 speakers and Centerpoint* surround sound on AT4 Ultimate and Denali Ultimate or an available 22 speakers on Denali Ultimate.

TECHNOLOGY

A First For GMC: Night Vision

Available Night Vision displays a thermal image to help you see beyond your headlamps and alerts you to detected pedestrians or large animals directly ahead of you.

Super Cruise

Super Cruise compatible roads have more than tripled since 2018 and will continue to grow. Under the proper conditions with an attentive driver, Super Cruise driver assistance technology can permit hands-free operation of the vehicle.

- Allows hands-free automatic lane changing
- The first system that lets drivers tow hands-free (Lane Change On Demand and Automatic Lane Change* not available while trailering)

Available Rear-Seat Media System

Backseat passengers can stream their favorite entertainment with 12.6" diagonal color-touch LCD high-definition screens, two Bluetooth* headphone sets and two HDMI ports on the back of the center console.

EXTERIOR

New Front And Rear Fascias

Yukon features 100% LED headlamps and taillamps, as well as a redesigned grille, including unique Vader Chrome accents on Denali Ultimate.

New Premium Wheels

- 20" machined and painted Carbon Flash Metallic on AT4
- 20" machined and painted Talos Bronze Metallic on AT4 Ultimate
- Available 22" ultra-bright machined and painted Midnight Silver with laser etched logo and wheel locks on Denali
- Available 24" selective machined and painted Pearl Nickel with wheel locks on 4WD models with premium Air Ride Adaptive Suspension on Denali
- 24" selective machined and painted After Midnight Metallic with wheel locks on Denali Ultimate

Available Autosense Power Liftgate

Open your liftgate hands-free simply by walking up with your key fob in your pocket or bag and fold your second- and third-row seats at the touch of a button for easy cargo flexibility.

CAPABILITY

Available Trailering Tech Includes:

- Transparent Trailer View*
- Pic-in-Pic View*
- Blind Zone Steering Assist with Trailering*
- Super Cruise hands-free driver assistance technology with trailering
- Rear Trailer View*
