# DESIGN

## CHARACTERFUL DESIGN

Raised hood, sculpted grille and precise detailing. Reductive surfaces add to the Defender 90's modern and compelling proportions.

# DURABILITY & CAPABILITY

## DURABILITY

The risk of punctures is minimized by the sidewall depth of the 32 inch epitomize tires. The impressive ground clearance also helps to absorb impact and shock to Defender vehicle's lightweight monocoque chassis.

## CARRYING

Never compromise. The 260 lbs\* dynamic roof load gives you the freedom to go out and make more of your adventure.

## TOWING

Respond to the toughest of demands with a towing capacity of up to 7,715 lbs. Advanced Tow Assist allows you to reverse a trailer while Defender takes care of the counter steering.

## WINCHING

A demonstration of hauling power and sheer strength, the electric winch has a maximum pulling force of 10,000 lbs and can be operated via remote control up to 148 ft away.

## WADING

Confidently cross waters with Defender 90 vehicle's 35 inch wading depth, while 3D Surround Camera with Wade Sensing tells you how deep the water is.

# TECHNOLOGY

## COMPLETE CONTROL

Pivi Pro infotainment is always on, always connected. Access a suite of systems within two taps, including 3D Surround Camera with ClearSight Ground View, providing a 360° view of your surroundings for effortless maneuvering.

## DRIVER ASSISTANCE

Choose from a range of innovative technologies designed to make driving and parking simpler.

# PERFORMANCE

## DEFENDER 90 V8

The 518 HP supercharged gas V8 engine takes you from 0-60 mph in as little as 4.9 seconds with a top speed of 149 mph.

Passengers (up to): 5

Turning Circle: 37 ft.

Maximum Torque: 461 lb-ft

0-60 MPH: 4.9 seconds

# PERSONALIZATION

## BOUNDLESS POSSIBILITIES

From exterior options to preconfigured accessory packs, equip your Defender 90 to match your lifestyle.
