Panoramic glass roof.

The available panoramic glass roof on the S5 is imbued with electrochromic 6-segment shading technology, allowing you to adjust the shade level to your preference.

Form and function.

The sweeping roofline of the S5 gives way to muscular bumpers with enlarged air inlets. Choose between alu-optic exterior accents or available black optics to create your signature S design.

Rear OLED taillights.

The available rear OLED taillights provide a unique look to S5. Using cutting-edge lighting technology, OLED lights deliver a crisp, sharp lighting signature from beautifully crafted lighting elements.

Wheel choices.

The S5 features standard 19" 5-double-V-spoke design wheels for a sleek look. For an even bolder statement, choose from 3 available 20" wheel options. Shown are the available 20" multispoke-S design wheels, included in the Black optic package.

Performance

Horsepower

362 HP

Torque

406 lb-ft

0-60 mph in

4.3 sec

Always obey all speed and traffic laws

Turbocharged.

Upgraded tuning boots the 362 HP engine in the S5, enhanced by a twin-scroll turbocharger nestled within the V for sharp throttle response, great power, and abundant torque.

7-speed S tronic.

The S5 owes its highly responsive and dynamic drive to its new 7-speed S tronic gearbox. The dual-clutch transmission marries the convenience and efficiency of an automatic with the engagement of a manual.

quattro rear spot differential.

Standard quattro rear spot differential offers precise handling when accelerating through a corner, actively distributing torque between rear axle wheels—where and when it's needed most.

Sport adaptive damping suspension.

Available Sport adaptive damping suspension delivers impressive body control and provides drive-adjustable dynamics—giving you unprecedented control taking any corner. Via the Audi drive select menu, choose the perfect balance of ride and handling.

Drive select.

Choose from a range of variable settings—engine, steering, transmission, and if equipped, suspension—to best suit your driving preferences.

Technology

Wraparound virtual cockpit plus.

Inside the S5, refined design meets spacious elegance. The 11.9" state-of-the-art virtual cockpit integrates seamlessly with the 14.5" MMI display, creating a panoramic digital stage with vital information always in view.

Head-up display.

The available head-up display on the S5 offers all the relevant information you need projected conveniently within your field of vision.

Passenger display.

Long drive ahead? Your front passenger can enjoy their favorite entertainment on the optional 10.9" passenger display.

Audi connect CARE.

Experience fully integrated assistance tools with Audi connect CARE including functions such as remote vehicle services and security features that help offer peace of mind.

Driver Assistance

Traffic sign recognition.

Detecting speed limits and other select road signs, the camera-based traffic-sign recognition system alerts the driver via the Audi virtual cockpit. It can also be adjusted to provide visual warnings when the vehicle exceeds the speed limit.

Top view camera.

Park with confidence. By combining the information gathered by the vehicle's cameras, the available top view camera system shows the car's position in relation to its nearby surroundings with a virtual overhead view.

Adaptive cruise assist.

With available adaptive cruise assist, the hands-on system maintains a time-distance setting to the vehicle ahead and helps keep you centered in your lane.

Park assist plus.

Available park assist plus helps you automatically maneuver your S5 into a perpendicular or parallel space by assisting with controlling throttle, braking, steering, and gear changes.

Front cross-traffic assist.

Front cross-traffic assist used sensors to help detect cross traffic when pulling through an intersection and can help intervene via brief braking to warn the driver of a potential collision.
