TERRAIN COLORS

Ebony Twilight Metallic

Summit White

Rapids Metallic

Sterling Metallic

Volcanic Red Tintcoat

Riverstone Metallic

15" Diagonal Premium GMC Infotainment System

The Premium GMC Infotainment System is designed to help you access, manage and customize your favorite in-vehicle entertainment.

Autosense Power Liftgate

This available feature lets you open your liftgate hands-free simply by walking up to the rear of your GMC Terrain compact SUV with your key fob in your pocket or bag.

Up To 8 Available Camera Views

Navigate tight parking lots with confidence, using available smart technologies like High Definition Surround Vision and the Rear Camera Mirror.

Google Built-In Compatibility

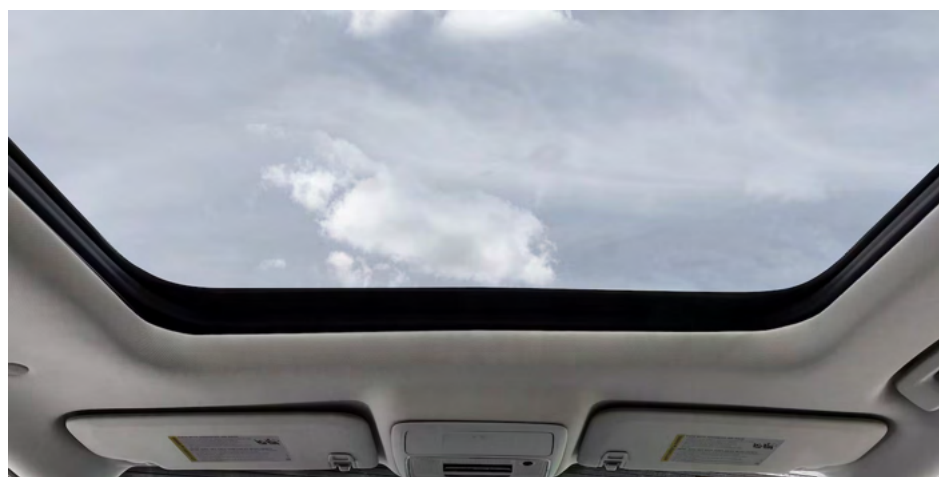

Reply to text messages, set reminders, get directions and control select vehicle functions using Google Assistant and Google Maps on Terrain's 15" diagonal touchscreen.

Wireless Smartphone Compatibility

Keep your compatible smartphone powered up on the available wireless charging pad.

INTERIOR

Panoramic Sunroof

The available panoramic sunroof provides above-and-beyond views and includes a power sunshade.

Plenty of Cargo Space

The GMC Terrain small SUV features maximum versatility with 60/40 split-folding rear seats, an underfloor storage compartment and center console passthrough storage for extra cargo space.

EXTERIOR

Two-Tone Roof

Stand out with the available two-tone roof in Sterling Metallic or Ebony Twilight Metallic.

Elevation

Includes a unique upright grille, 17" Grazen Metallic machined aluminum wheels and over 16 standard safety and driver assistance features including Forward Collision Alert and Adaptive Cruise Control.

AT4

Includes AT4 badging, 17" Dark machined aluminum wheels with all-terrain tires, a lifted ride height, red recovery hooks, off-road tuned suspension and AT4-exclusive selectable Terrain drive mode.

DENALI

Includes unique Denali signature grille with Galvano Silver accents, 19" Midnight Silver or available 20" After Midnight machined-face aluminum wheels, and animated LED headlamps and taillamps.

FEATURED EDITIONS

BLACK EDITION

Key Features:

- 9" gloss-black aluminum wheels
- Darkened grille and C-shaped surrounding bezel
- Black mirror caps
- Black roof side rails
- Black exterior accents and badging with red GMC lettering

Elevation Premium

- Brushed aluminum roof side rails
- 19" Technical Gray machined-face aluminum wheels
- CoreTec seating material in After Dark or Gideon Gray/After Dark
- Dual-zone automatic climate control
- AutoSense liftgate
- Wireless smartphone charging

CAPABILITY

Power-Packed Engine

The Next Generation Terrain packs a powerfully turbocharged punch with a 1.5L Turbo 4-cylinder engine.

Available All-Wheel Drive

The Next Generation Terrain offers an 8-speed automatic transmission with AWD and available Hill Descent Control for when your adventures take you on challenging roads or down steep grades. Standard on AT4 and Denali.

Trailer Package

Tow your favorite gear confidently with a factory-installed trailer hitch and wiring harness, standard on AT4 and Denali.

AT4 Off-Road Readiness

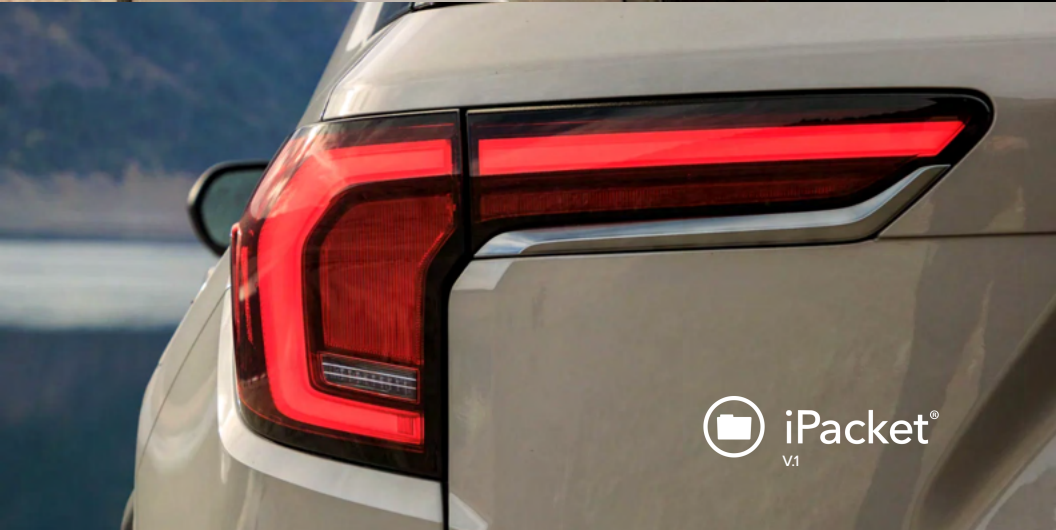

Terrain AT4 can take on challenging roads thanks to the front skid plate with steel underbody shield, off-road-tuned suspension, durable all-terrain tires and up to five different drive modes including AT4-exclusive Terrain mode for low-speed crawls.
