Tech features

The latest Honda Civic boasts the Honda Sensing suite as a baseline, offering Lane-Departure Warning, Lane-Keep Assist, Forward Collision Warning, and more for unmatched safety on the roads. The standard infotainment system includes a 7.0-inch touchscreen, Apple CarPlay®, Android Auto™, and a four-speaker stereo. Some available tech amenities on higher trims include:

- 2.5-Amp USB charging port(s)
- 9-inch color touchscreen
- SiriusXM®
- HD Radio™
- Honda Satellite-Linked Navigation System™ with Voice Recognition and Honda RealTime Traffic
- Wireless phone charger
- 8-speaker audio system or advanced Bose Premium Sound System with 12 speakers

COMFORT & CONVENIENCE

The 2024 Honda Civic caters to a wide range of preferences. The LX trim begins with black cloth upholstery, manually adjustable front seats, and a foldable rear seat to enhance cargo space. Advanced trims elevate the experience with 60/40-split folding rear seats, dual-zone automatic climate control, keyless entry, and push-button start. The technology in the 2024 Honda Civic enhances driving pleasure and extends to comfort and convenience, ensuring a seamless experience from the moment you enter the vehicle.
