THE 2026

i4

BMW i4 Gran Coupe.

Pure driving pleasure.

Hit the road in the supremely sporty all-electric BMW i4 Gran Coupe. The front exterior and elegant rear lights give this Gran Coupe an athletic aesthetic from front to back. The luxurious interior features a steering wheel design and soothing ambient lighting, so you can settle into an atmosphere that's incredibly satisfying and serene.

i4

2026 BMW i4 eDrive40 and i4 xDrive40 Gran Coupes.

With inspired technology and a range of 307-333 mi in the eDrive40 and 268-287 mi in the xDrive40, you'll have everything you need to go even farther than imagined.

	0-60 MPH	Horsepower
i4 eDrive40	5.5 seconds	335
i4 xDrive40	4.9 seconds	396

Electric. Unique. Elegant.

Sporty in style, performance, and attitude, the i4 Gran Coupe sets a high standard for all-electric sports cars. The sleek exterior, featuring two-tone rims and slim front lights, ensures you always stand out in the crowd. Inside, the modern dashboard and available Glass Controls create an ambiance that's sleek and sophisticated. Stay connected on the go with a suite of the latest technology, including the BMW Intelligent Personal Assistant.

More M. More excitement.

A racier look—and feel. The available M Sport Package combines the exclusive Aerodynamic kit with exciting M design upgrades.

See your surroundings in a new light.

Vertically aligned LED headlights make a bold statement while providing optimal visibility at all times.

Leave a lasting impression.

Available laser rear lights with intricate laser fibers and precise lines add to the sleek aesthetic of your BMW.

An icon in black.

The bold kidney grille features a matte silver honeycomb pattern and striking high-gloss black surface, drawing attention wherever it goes.

Aerodynamic and alluring.

Lightweight and durable, 19" M aerodynamic Bi-color wheels combine exceptional performance and eye-catching aesthetics.

A sleek and sophisticated interior.

The modern dashboard adds a refined touch to the interior of your 2026 i4. It is further complemented by eye-catching double-stitched seams.

Sporty seating.

Clad in Black Perforated SensaTec upholstery, the seats in this Gran Coupe are designed with your comfort in mind.

Geared toward design.

With its clean and minimalist aesthetic, the rocker switch for gear selection stands out in the center console.

A perfect hold.

Featuring a three-spoke design, flat bottom, the available M leather steering wheel offers a sure feel and full control. A 12 o'clock marking completes the sporty look.

Innovative assistance.

The right lane. The right distance.

The available Driving Assistant Professional is a complete package that provides you with comprehensive support, ensuring safety and comfort on every trip.

More cameras. Easier parking.

With available Parking Assistant Plus, you have an all-around view of your BMW that you can access remotely with the My BMW app or while maneuvering into a parking space.

Leave your keys at home.

With BMW Digital Key, you can lock and unlock doors and even start up your BMW, all with your compatible smartphone. Share your key with up to five people.

See more at a glance.

The BMW Head-Up Display projects helpful navigation and driving information right where you need it. Meanwhile, Augmented View displays route guidance on the control display via live video.

Access everything faster.

The QuickSelect start screen on the BMW Operating System 8.5 provides faster access to your favorite entertainment and contacts.

BMW Charging.

ChargingNetwork

Charge at 180,000+ charging points across our North American provider network.

BMW Charging boasts one of the largest public charging networks in North America, now including Tesla Superchargers—so you can go the distance without hesitation. And as a BMW driver, you'll enjoy complimentary charging on Electrify America's network and the convenient Plug & Charge feature for instant authentication at Electrify America, IONNA, and Tesla Supercharger stations.

A charging experience like no other.

Experience the future of convenience at IONNA's thoughtfully equipped stations. With premium amenities at many locations—including Rechargery Markets, cafes, and driver's lounges—every stop provides the opportunity to relax and recharge. And as a BMW Certified driver, you'll enjoy preferential pricing on all charging sessions

Access it all with the My BMW App.

All BMW ChargingNetwork providers are seamlessly integrated in the My BMW App, creating one of the largest public charging networks in North America. Simply enroll with Electrify America and Shell Recharge in the app and you'll have easy access to the entire network including Electrify America, Shell Recharge, IONNA, Tesla Superchargers, EVgo, ChargePoint, and more.

BMW ConnectedDrive.

BMW ConnectedDrive seamlessly integrates your mobile devices, smart home technology, and your vehicle's intelligent interfaces into a complete driver's environment. Learn more at: bmwusa.com/explore/connecteddrive
