SUV & COUPE

NO-CHARGE 19-INCH WHEELS

Roll big without unrolling any cash. The GLC lets you upgrade its standard 18-inch wheels to a 19-inch multispoke design for no extra cost. Or choose from options up to 20 inches.

NEW AMG LITE PLUS PACKAGE

Another irresistible value pairs any of three 19-inch or 20-inch AMG® wheels with a sleek rear spoiler. It also includes a power Panorama roof so everyone onboard can take in the sky.

LED HEADLAMPS AND TAILLAMPS

All-LED lighting pairs brilliant function with sharp style. The headlamps are also available with DIGITAL LIGHT technology that can project driver alerts on the dark pavement.

SPECTRUM OF PAINT COLORS

Along with a selection of elegant neutral tones, the GLC also offers distinctive red, blue or green options. The range of metallic, solid and matte Magno paints is sure to please your palette.

AMG LINE AND NIGHT PACKAGE

Sharpen the GLC's flowing shape with AMG body styling, wheels and cabin details. Add the Night Package to the AMG Line to render key elements in dramatic black.

HEATED POWER FRONT SEATS

Power front seats each feature three memory stations, including the side mirror and steering column settings for the driver. Three-stage heating automatically steps down to maintain comfort.

FINELY TAILORED UPHOLSTERY

Choose from 13 choices in impeccably tailored, hand-fitted upholstery. Standard MB-TEX is legendary for its lasting appeal. Leather or Nappa leather is available in a range of colors.

VARIETY OF CABIN TRIMS

Glossy and natural grain woods or woven metal are among the GLC's dash and door trim options. Console finishes include a new Black Fine Structure design.

WIRELESS SMARTPHONE INTEGRATION

Standard Apple CarPlay® and Android Auto can connect wirelessly with your smartphone. Wireless charging is also available, so you can travel cable-free.

FINGERPRINT RECOGNITION

You can save up to 800 vehicle preferences in your own user profile, and call it up with an in-dash fingerprint reader. Profile can be saved and updated in the Mercedes-Benz app.

EASIER PARKING

Active Parking Assist can help you maneuver in tight spaces, and even park your GLC hands-free. The available Surround View System can display the views of multiple cameras.

AUTOMATIC LANE CHANGING

An available suite of driver assists brings you benefits from adaptive cruise control to cross-traffic warnings. Automatic Lane Change can help expedite travel on multilane highways.

SECURITY WHEN YOU'RE AWAY

GUARD 360° is like a virtual watchdog when you're away from your parked GLC. If it senses that your car gets bumped, it can even take photos with the car's available exterior cameras.

MBUX WITH ROUTINES FEATURE

3rd-gen MBUX (the Mercedes-Benz User Experience) offers a lifelike, AI-based virtual voice assistant. Routines let you automate everyday functions based on location, conditions or other parameters.

PLUG-IN HYBRID MODEL

The GLC 350e lets you drive it as an EV for around-town commuting, and a turbocharged SUV for long distances. Best of all, this best of both worlds is wrapped in a luxurious GLC.
