Performance

Pick Your Powertrain

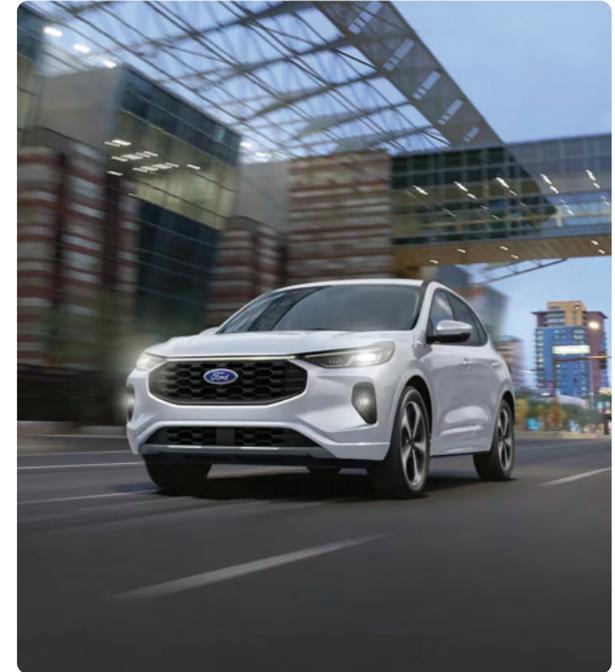

Plug-In Hybrid

The available plug-in hybrid powertrain with 210 total system horsepower gives you great acceleration, impressive range, and an included mobile cord to power up with a regular 120v outlet. It'll also run like a regular hybrid if you don't feel like plugging in.

Hybrid

Combine gas and electric forces in the available hybrid powertrain with 192 total system horsepower. Regenerative braking helps charge the battery without plugging in, and fuel is there when you need it.

EcoBoost

Choose the 1.5L engine with 180 horsepower @ 6,000 rpm or the available 2.0L EcoBoost engine with 250 horsepower @ 5,500 rpm, and tap into towing options.

Performance

Switch Drivetrains Effortlessly

Combine gas and electric forces in the available hybrid powertrain with 192 total system horsepower. Regenerative braking helps charge the battery without plugging in, and fuel is there when you need it.

Design

Exterior

LED Light Bar

The available LED light bar adds distinctive, instantly recognizable styles.

Power Liftgate

Just press a button on the available power liftgate, the key fob, or inside and up goes the rear hatch. Now you can access up to an available 65.4 cu. ft. of cargo storage behind the first row.

Panoramic Vista Roof® With Power Shade

This available feature tilts and slides all the way back, so you can bask in the sun at the press of a button.

Design

Interior

ST-Line Sport Contour Bucket Seats

The best seat in the house might be parked outside. These available seats combine comfort, style, and performance.

Loads of Leg Room

Over 40 inches of available space up front means passengers can kick back and relax on long rides.

Sliding Second-Row Seats

Move the 60/40 split-fold seat back for up to 5.9 inches of additional backseat leg room, or fold it down for extra cargo space.

Design

Interior

Cavernous Cargo Space

With up to 65.4 cu. ft. of available cargo area behind the first row, you've got enough room for almost anything.

13.2-inch LCD Center Touchscreen

Get navigation, Apple CarPlay® or Android Auto™ compatibility, 16:1 and Ford Assistant on the big screen with SYNC®.

Rotary Gear Shift Dial

Easy to use. Out of the way. This minimalist shifter leaves you more valuable console space.

Technology

Intuitive Innovation

4G LTE Wi-Fi® Hotspot

When equipped, FordPass® Connect5 allows you and your passengers to enjoy an available 4G LTE in-vehicle Wi-Fi hotspot powered by AT&T. Connect up to 10 devices up to 50 feet outside the vehicle.

360-Degree Camera

When moving under 6 mph, this available feature can show you more angles with front, side, and rear cameras. Plus, split-view lets you see two views at once.

Driver-Assist Alerts

Get alerts about approaching vehicles, cyclists, and pedestrians with BLIS (Blind Spot Information System). Ford Co-Pilot360® Technology has a whole suite of features to help make life easier.
