

THE X5

2025 BMW X5 SUV.

2024 IIHS TOP SAFETY PICK+

HIGHLIGHTS

UNMISTAKABLE AUTHORITY

Powerful interior and exterior designs, plus the available Highway Assistant with Active Lane Change feature, make the 2025 BMW X5 models as convenient and compelling as ever.

Cruise in pure comfort.

With soft and luxurious Sensafin upholstered sports seating, peak comfort is yours. Design your dream sanctuary with color options like Cognac and Silverstone.

Interior enhancements.

The respected X5 cabin has a distinctive design, with the impressive BMW Curved Display and Lightbar taking prime position on the dashboard.

Hands-free freedom.

The Highway Assistant with Active Lane Change feature offers unparalleled convenience for longer adventures, allowing hands-free driving at speeds up to 85 MPH on controlled-access highways.

PERFORMANCE

ENGINEERED FOR ADVENTURE

Enjoy the improved acceleration and responsiveness of BMW's 48V mild-hybrid system. Experience the state-of-the-art technology, included as standard on the 4.4-liter BMW M TwinPower Turbo V-8 that drives the X5 M60i. Looking for increased efficiency? The plug-in hybrid electric BMW X5 xDrive50e is capable of up to 38 miles of all-electric range.

There are no limits to confidence when you're driving a BMW X5. Enjoy the precision of Dynamic Damper Control, standard on all models, or your choice of Adaptive M Suspension or 2-Axle Air Suspension, available on select models. Finally, the xDrive50e, M60i, and xDrive40i all include BMW's intelligent all-wheel drive system as standard.

A force for movement.

Unleash the power of the BMW X5 M Competition – a driving experience unlike any other SUV on the road. With an exceptionally powerful engine enhanced by 48V mild-hybrid technology, engineering upgrades by BMW M, and sportier looks as standard, it's the most powerful member of the X5 family.

SAFETY & TECHNOLOGY

ANTICIPATE WHAT'S AHEAD

From standard smart safety features to available hands-free driving, the BMW X5 models stay ahead of the curve so you can stay present in the moment.

Standard Active Blind Spot Detection

Be alerted to hazards in blind spots with visual cues in exterior mirrors and steering wheel vibrations.

Standard Frontal Collision Warning with City Collision Mitigation

Issues warnings to help prevent or mitigate accidents with vehicles ahead of you – and engages the brakes when necessary.

Available Highway Assistant with Active Lane Change

Allows for hands-free driving at speeds up to 85 mph on controlled-access highways. The driver must stay attentive and take over if needed.

SAFETY & TECHNOLOGY

THE BEAUTY OF CONNECTION

In the 2025 BMW X5, sleek displays and innovative BMW driving technology keep you entertained and engaged with the world around you.

In touch at all times.

Every control is at your fingertips. The large BMW Curved Display, included as standard, is the perfect platform for interacting with the BMW Operating System 8.5. With standard wireless Apple CarPlay® and Android Auto™ compatibility, BMW Intelligent Personal Assistant, and Remote Software Upgrades, you're always at the cutting edge of connection.

Communicate with your car.

The My BMW App lets you check vehicle status, lock and unlock the doors from afar, and get a head start on your adventure with available Remote Engine Start, standard on the X5 M60i.

Space saving tech.

The Parking Assistant Professional system, included with the available Parking Assistance Package, includes impressive features like automated steering control, Back-up Assistant, and even Remote Control Parking to maneuver your X5 from your smartphone.

ACTIVITY

DO WHAT DRIVES YOU

The 2025 BMW X5 is packed with features to satisfy your love of adventure – including expansive cargo space, comfortable interiors, and plenty of towing capacity.

Spacious.

With up to 72.3 cubic feet of cargo space, easily accessible from the split-tailgate design, the X5 is ready for anything.

Sophisticated.

Available in a range of colors, soft and luxurious Sensafin upholstery wraps you and your passengers in comfort.

Expansive.

The standard Sky Lounge LED Panoramic Roof lets you see more of the world outside, while making the spacious interior feel even bigger.

High-capacity.

With a towing capacity of up to 7,200 pounds, the available factory-installed trailer hitch will empower your next big adventure.

THE X5 AT A GLANCE

What smart features does the BMW X5 offer?

The BMW X5 is equipped with an advanced operating system, seamless safety technology, and personalized infotainment options. Comfort Access technology lets you lock and unlock your BMW without having to take your key out of your pocket. With the My BMW App, you can stay updated on your BMW's status (tire pressure, fuel, and battery levels), and easily locate points of interest. From your app, you can also use Remote Engine Start – standard on the M60i and available on the 40i models – to turn on the engine and heat or cool the cabin from your smartphone. Advanced Real-Time Traffic Information provides up-to-date traffic reports and accident alerts, streamlining your trip with live information. Stay entertained while on the road with Apple CarPlay® and Android Auto™.

What fuel is recommended for the BMW X5?

In order to keep your BMW X5 running at its best, premium fuel is recommended.

Is the BMW X5 all-wheel drive?

The 2025 BMW X5 models include both rear-wheel drive versions (the BMW X5 sDrive40i) and intelligent all-wheel drive (the X5 xDrive40i, X5 xDrive50e, and X5 M60i). The BMW X5 M Competition features standard M xDrive – a performance-centric all-wheel drive system with adjustable power distribution modes.

Where is the BMW X5 made?

The 2025 BMW X5 is assembled in the United States at the Spartanburg Plant in South Carolina.

What safety features are included in the 2025 BMW X5?

The BMW X5 comes standard with a suite of advanced driving features like Frontal Collision Warning with City Collision Mitigation, Lane Departure Warning, and more. In addition, available features including Active Cruise Control with Stop & Go and Extended Traffic Jam Assistant help reduce the stress of every drive.

How fast can the 2025 BMW X5 accelerate?

The BMW X5 sDrive40i has a 0-60 MPH time of 5.3 seconds, the X5 xDrive40i 5.2 seconds, the X5 xDrive50e 4.6 seconds, the X5 M60i 4.2 seconds, and the X5 M Competition 3.7 seconds. Top speed for the X5 xDrive50e, X5 sDrive40i, X5 xDrive50e, and X5 M60i is 130 MPH. The top speed for the X5 M Competition is 155 MPH.

What is the towing capacity of the 2025 BMW X5?

The 2025 BMW X5 has a maximum towing capacity of 7,200 pounds with the available factory-installed trailer hitch, so you can do it all with ease.

How long does the 2025 BMW X5 xDrive50e take to charge?

The amount of time required to charge the BMW X5 varies depending on the power source. Using a 240V outlet and the correct adaptor, the BMW X5 xDrive50e is fully charged in just 3 hours and 15 minutes.

Is maximum power output available if I have no indicated electric range or if I don't charge my battery?

Yes. Under most driving conditions, maximum system power output is ensured thanks to a battery energy buffer that is automatically recharged via the combustion engine and brake energy recuperation.
