

FORD
2022 RANGER®

ROOTS STEEPED IN RUGGED DURABILITY.

The 2022 Ford Ranger is designed to handle whatever you throw at it – or in it. After all, it follows a heritage of proven performers. And like you, Ranger has an unrelenting desire to get out and satisfy its need for adventure. With 2 available body styles, Regular Cab and Double Cab, 7 trim levels and 5 engine choices, you're never short on having all the truck you need. And with Ranger RAPTOR in the lineup, more power, more grit and a whole lot more can-do attitude are yours for the taking. Get away – far, far away – in Ranger.

LIMITED. Chrome grille. Chrome mirror caps. 17" aluminum wheels. Shown in Lightning Blue with available equipment.

RAPTOR. Unique block-letter FORD grille. Black mirror caps. 17" aluminum wheels with all-terrain tires. Shown in Conquer Grey with available equipment.

WILDTRAK. Black grille. Chrome mirror caps. 18" aluminum wheels. Shown in Saber with available equipment.

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment. Product availability varies by model. See your dealer for details. BFGoodrich is a registered trademark of Michelin North America, Inc.

2022 FORD RANGER®

RAPTOR

BEAST MODE. FROM RANGER.

Bold design, like the block-letter FORD grille, muscular haunches, and frame-mounted bumper, gives the Ranger RAPTOR® its imposing stature. An ultra-high-strength frame, giant bash plate, and elevated ride height allow it to thrive in environments other trucks wouldn't dare to tread. And even more brawn lies beneath the hood. A muscular 2.0L Bi-Turbo diesel engine delivers robust top-end power, tenacious bottom-end torque and improved acceleration, while a 10-speed auto transmission provides exceptional power delivery and quick gear changes. This Ranger is meant to be punished.

LEATHER-WRAPPED SPORT STEERING WHEEL WITH RED CENTERING STRIP / PERFORMANCE INSTRUMENT PANEL / MAGNESIUM PADDLE SHIFTERS / 2.5" FOX RACING SHOX™
/ UNDERBODY BASH PLATE / 283 MM OF GROUND CLEARANCE / 32.5° APPROACH ANGLE / 24° DEPARTURE ANGLE / 24° BREAKOVER ANGLE
/ 850-MM WATER WADING DEPTH / 10-SPEED AUTOMATIC TRANSMISSION

FOX Racing Shox is a trademark of FOX Factory, Inc.
Always consult the RAPTOR supplement to the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear.

2022 FORD RANGER®

ENGINES THAT WORK HARD. AND PLAY HARD.

RAPTOR. Performance Blue. Available equipment.

When work or playtime requires more capable power to haul your entire crew – plus gear – the 3.2L engine cranks out an impressive amount of torque to pull you through. And both 2.2L diesel engines offer plenty of horsepower and torque capable of hauling you and your stuff. The twin turbos of the RAPTOR® 2.0L Bi-Turbo diesel engine work sequentially to deliver huge power and torque on demand. You'll need both in the places that RAPTOR will take you!

Horsepower and towing are independent attributes and may not be achieved simultaneously.

1. Always consult the RAPTOR supplement to the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. **2.** When properly configured. Passenger and cargo capacity limited by weight and weight distribution.

READY TO MASTER THE ROAD. AND FAR BEYOND.

When you have the urge to take the rubber off-road, Ranger has the means to go beyond the asphalt. Altering your terrain management needs is as simple as twisting a dial thanks to the available shift-on-the-fly 4-wheel-drive system. You can move smoothly from rear-wheel drive to 4-wheel drive without having to stop the vehicle. Add an impressive ride height and wading depth,^{1,2} and Ranger is capable of traversing some of the most rugged and washed-out landscapes – increasing its trail-worthiness.

CARVE YOUR OWN TRAIL

AVAILABLE 4-WHEEL-DRIVE SYSTEM

800-MM WADING DEPTH^{1,2}

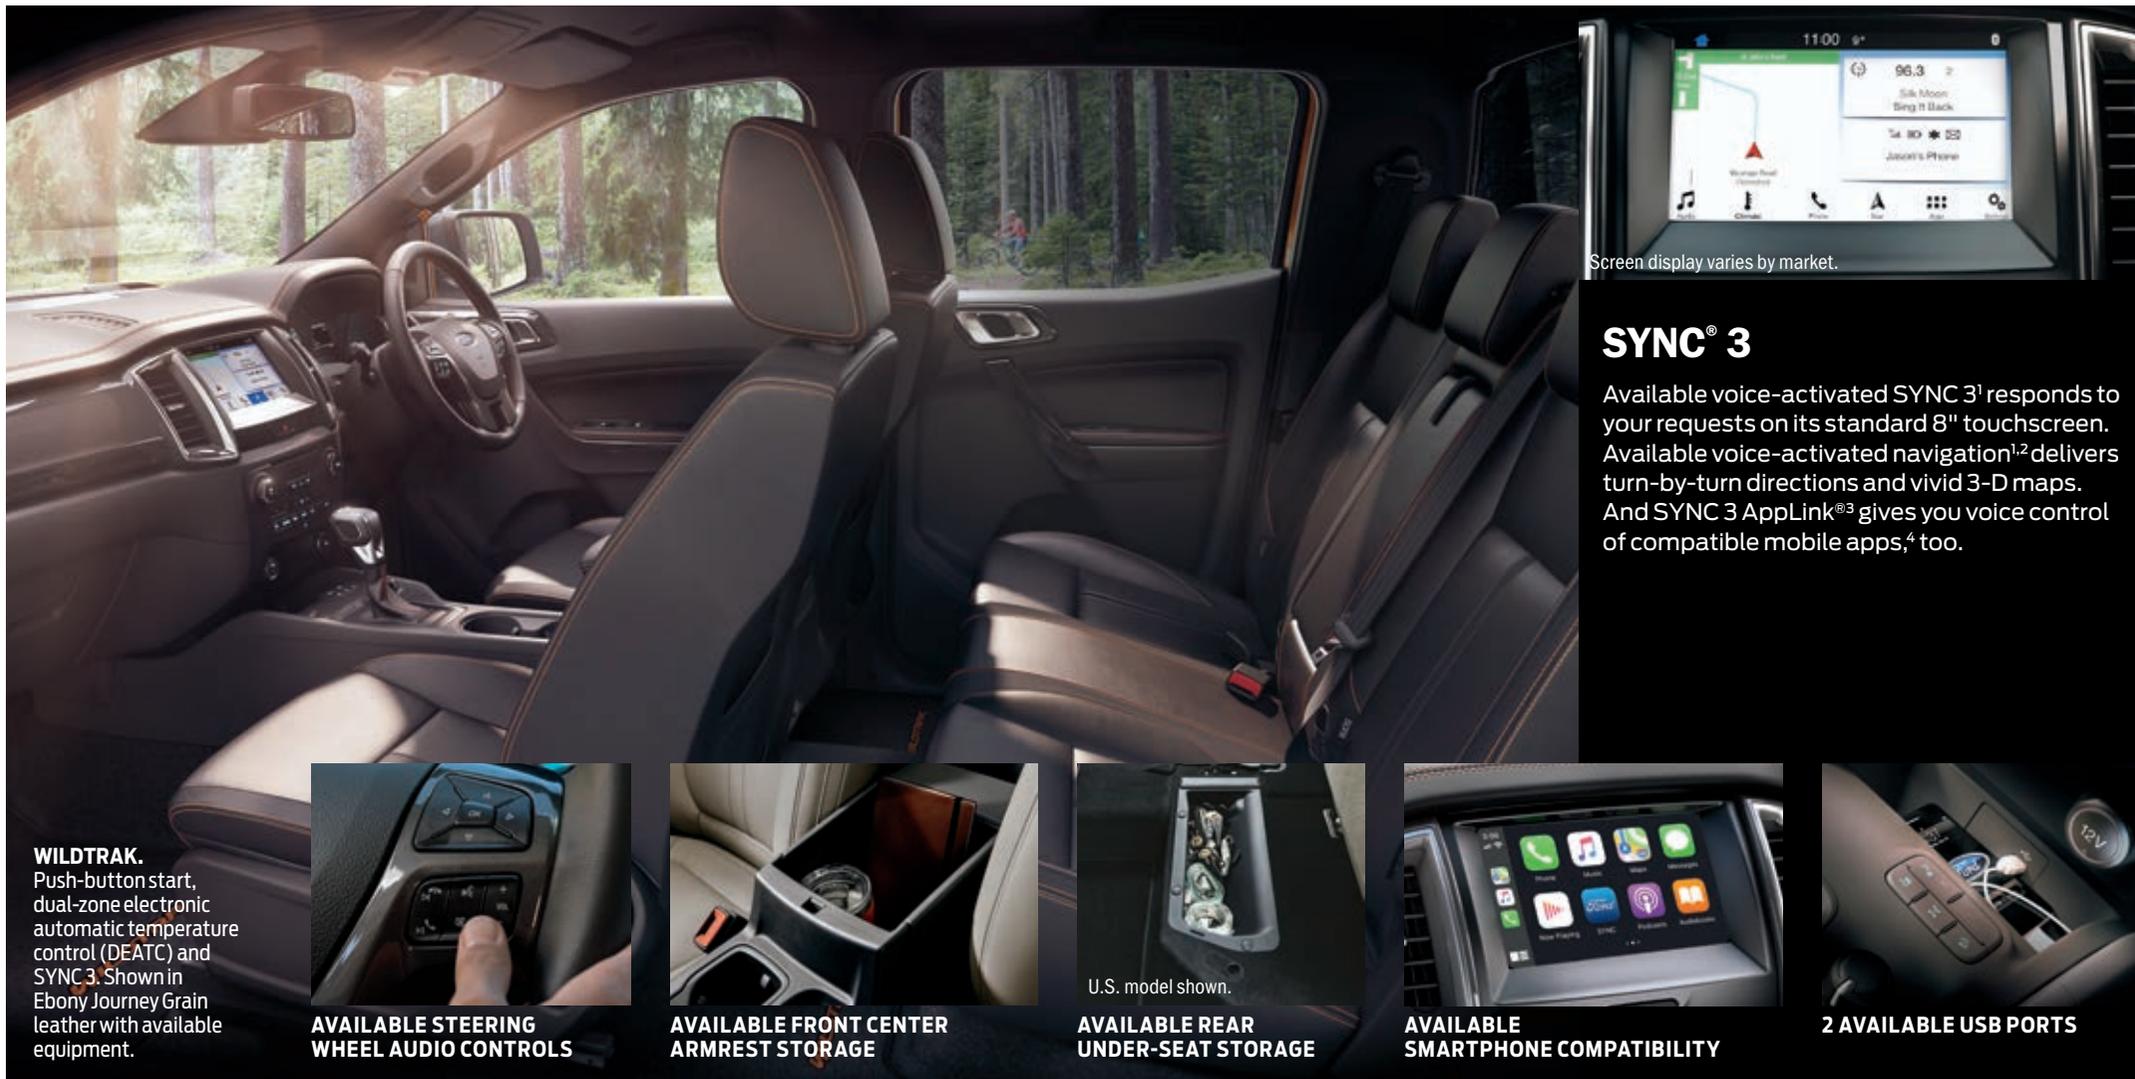

RAPTOR. Performance Blue. Available equipment.

1. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. Always determine the water depth before attempting a crossing and proceed slowly. Refer to your Owner's Manual for detailed information regarding driving through water. **2.** Figures are for LIMITED and WILDTRAK 4x4 models.

Impressive approach, breakover and departure angles give Ranger the upper hand in situations where less capable trucks fear to tread.

OUTFITTED FOR COMFORT.

Even when you're roughing it. Whether it's work or play, well-equipped convenience features offer a comforting experience in Ranger. Courtesy of available leather-trimmed seating with an 8-way adjustable driver's seat, leather-wrapped steering wheel, and rear center armrest. Multiple powerpoints and an available 6-speaker audio system ensure every drive is entertaining no matter how long the journey may take.

SYNC® 3

Available voice-activated SYNC 3¹ responds to your requests on its standard 8" touchscreen. Available voice-activated navigation^{1,2} delivers turn-by-turn directions and vivid 3-D maps. And SYNC 3 AppLink^{®3} gives you voice control of compatible mobile apps,⁴ too.

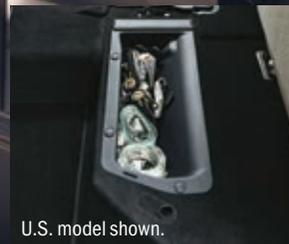

WILDTRAK. Push-button start, dual-zone electronic automatic temperature control (DEATC) and SYNC 3. Shown in Ebony Journey Grain leather with available equipment.

AVAILABLE STEERING WHEEL AUDIO CONTROLS

AVAILABLE FRONT CENTER ARMREST STORAGE

AVAILABLE REAR UNDER-SEAT STORAGE

AVAILABLE SMARTPHONE COMPATIBILITY

2 AVAILABLE USB PORTS

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Functionality varies by market. **2.** Availability varies by market. **3.** Certain restrictions, 3rd-party terms and data rates may apply. See your Ford Dealer for details. Commands may vary by phone and AppLink software. **4.** Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

FORD CO-PILOT 360™ TECHNOLOGY CONFIDENCE COMES FULL CIRCLE.

Maintaining a set distance. Changing lanes. Holding your own on steep hills. Backing up. Parking. Our well-rounded collection of standard and available Ford Co-Pilot360 Technology¹ features can help with these everyday driving situations, and more. Our advanced driver-assist features are about supplementing your driving skills. So you can feel confidently in command on the road.

¹ Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations. Always consult the Owner's Manual before off-road driving. Follow all laws and drive on designated off-road trails and recreation areas. Always determine the water depth before attempting a crossing and proceed slowly. Refer to your Owner's Manual for detailed information regarding driving through water.

STABILITY WHEN YOU NEED IT.

SAFETY WHEN IT COUNTS.

Electronic Stability Control (ESC)¹ continually monitors all 4 wheels for loss of traction on loose, uneven or slippery surfaces. The instant it detects the onset of wheelspin, it automatically reduces torque, while braking individual wheels, until grip is regained.

Driver and front-passenger airbags² help protect front-seat occupants in the event of a frontal collision, while side-curtain airbags² help protect from side impacts.

WILDTRAK. Saber. Available equipment.

1. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. 2. Always wear your safety belt and secure children in the rear seat.

2022 FORD RANGER®

FREEDOM OF CHOICE.

Regular Cab is the perfect choice if your main priority is generous load-carrying capacity, and you only need seating for 3. It gives you more exterior cargo capacity with a 2,317-mm-long bed. Double Cab, with comfortable seating for up to 5 adults, offers the most car-like experience of all the Ranger body styles and is equally accommodating whether you're hard at work or enjoying time off with friends and family.
