Interior

QuietTuning® with Active Noise Cancellation

Envision's QuietTuning technology helps keep outdoor noise out, creating a peaceful interior in your compact SUV. Choose from 126 ambient lighting colors to set the right mood.

Ultrawide 30" diagonal screen — the largest in its class

A stunning display with effortless convenience.

Google built-in compatibility

Get hands-free help with Google Assistant, seamlessly access Google Maps, and unlock Google Play for even more apps.

Remote commands

Take control of your Envision compact SUV from virtually anywhere. You can remotely start your vehicle, lock and unlock your doors, and more with remote commands.

Technology

Wireless smartphone charging

Available wireless smartphone charging keeps your smartphone charged and your cabin clutter-free.

OnStar® Basics

OnStar Basics is standard for 8 years; working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Service coverage varies with conditions and location. Service availability, features and functionality vary by device and software version. Includes available audio apps only. Third-party services may require separate subscription.

Head-Up Display

Projects key information such as speed, available navigation, Forward Collision Alert and more onto the windshield so your eyes can stay on the road.

Blind Zone Steering Assist

Front Pedestrian and Bicyclist Braking

Rear Cross Traffic Braking

Intersection Automatic Emergency Braking

Side Bicyclist Alert

Seats up to:

5

Max cargo capacity:

52.7 cu.ft

EPA-est. MPG city/hwy:

22/28 (AWD)
