

2022 G-CLASS

G 550

- Turbocharged 4.0-liter V8 engine (416 horsepower, 450 lb-ft of torque)
- Nine-speed automatic transmission
- 19-inch wheels
- Tow hitch receiver
- All-wheel drive
- Two-speed transfer case with low-range gearing
- Three locking differentials (help provide extra off-road traction)
- Three-zone climate control
- Leather upholstery
- Heated front and rear seats
- LED ambient interior lighting
- Sunroof

Technology and safety features include:

- Digital instrument display
- 12.3-inch central touchscreen
- Apple CarPlay and Android Auto smartphone connectivity
- Burmester surround-sound system
- Semi-automated parking system
- Forward collision mitigation (warns you of an impending collision and applies the brakes in certain scenarios)
- Lane keeping assistance (makes minor steering corrections to help keep the vehicle centered in its lane)
- Blind-spot warning with rear cross-traffic warning (alerts you if a vehicle is in your blind spot during a lane change or while in reverse)
- Adaptive cruise control (maintains a driver-set distance between the G-Class and the car in front)
- Automatic high beams

AMG G 63

- Turbocharged 4.0-liter V8 engine (577 hp, 627 lb-ft)
- 20-inch wheels
- AMG body styling and unique grille
- AMG performance brakes
- Adjustable adaptive suspension
- Upgraded leather upholstery
- Simulated suede headliner

Options for the G-Class include the following:

- Heated steering wheel
- Seat Comfort package (ventilated and massaging front seats)
- AMG Line (G 550 only, adds AMG-inspired exterior and interior style enhancements)
- AMG Trail package (AMG G 63 only, adds off-road-optimized suspension, all-terrain tires)
- Various exterior and interior customization options

4.0L V8 ENGINE

Advanced performance comes from a high-output engine with a remarkably compact size. The 416-hp 4.0L biturbo V8 is more responsive than some larger engines, making 100% of its 450 lb-ft of peak torque available from 2,000-4,750 rpm, for a 5.6-second 0-60 rush and instant response at any speed.

ALL-WHEEL DRIVE

With its 9-speed automatic transmission and two transfer-case ranges, the 2022 G-Class offers one of the widest spans of gear ratios of any SUV. So whether you're crawling down a steep hill or cruising on the highway, there's an optimum gear for the situation.

OFF-ROAD APTITUDE

Ground clearance is 9.5 inches, while fording depth is up to 27.5 inches. It can climb an astounding 100% grade and handle a 70% lateral slope. A modern independent front/rigid-axle rear suspension is engineered for excellent wheel articulation.

DOUBLE-WISHBONE FRONT

The independent front suspension maintains the G-Class's legendary off-road capability while enhancing on-road control and comfort. The double-wishbone/coil-spring design features forged aluminum knuckles and lower control arms to reduce unsprung mass.

12.3-INCH CENTRAL DISPLAY

A crisp, high-resolution screen uses a high pixel count, a fast refresh rate and automatic adjustment to ambient light to provide seamless display.

STEERING WHEEL WITH TOUCH CONTROL BUTTONS

In addition to fingertip buttons for audio, Bluetooth and cruise control, smartphone-like pads offer direct control of nearly every cockpit feature.

COMMAND NAVIGATION

Using GPS technology and a fast hard drive to store maps and points of interest, this virtual copilot provides detailed driving directions with remarkable speed.

POWER FRONT SEATS

10-way power adjustment and a memory system for each front seat recalls three stored seat positions with the touch of a button.

HEATED REAR SEATS

Electrically heated outboard rear seats quickly offer soothing warmth to the outboard rear-cabin passengers.

CABIN-AIR PURIFICATION SYSTEM

Activated charcoal filtration teams with an ionizer that uses an electrical charge to create the same fresh-air sensation you experience after a storm.

AMG® EXTERIOR STYLING

AMG® styling elements include wider fender flares, and chrome trim elements in the front and rear bumpers. The body-side protective strips feature an all-black motif with the Night Package and Night Package Plus.

18-INCH 5-SPOKE WHEELS, MATTE BLACK

Bold, all-black 5-spoke wheels feature an 18-inch size and 265/60R18 all-terrain tires that reassert the off-road capability of the G 550.

AN ICON REFINED

In refinement and detail, the G is brilliantly evolved: Subtly radiused surfaces enhance cabin room while preserving its classic proportions. Advanced LED technology powers its signature round headlamps.
