PERFORMANCE

The most powerful production stingray in history

Ready for a rush? Rocketing a quarter-mile time of just 11.2 seconds* with an available 495 horsepower*, the LT2 V8 in Stingray is engineered to give any driver the pulse-pounding ride they crave.

PERFORMANCE

Engineering perfection

This naturally aspirated V8 is positioned behind the driver, putting more power to the rear wheels where it matters most.

Lightning-quick shifting

The standard 8-speed dual-clutch transmission combines the smoothness of an automatic with the control of a manual, giving you quicker times – lap after lap.

Next-generation damping

Available Magnetic Selective Ride Control™ 4.0 features an innovative suspension fluid containing metal particles that align to change fluid viscosity, giving you the confidence and control to push harder while staying planted. And it's able to read the road every millisecond and adapts in as little as 10–15 milliseconds.

MODELS

1LT Coupe

1LT is the car for driving purists who want the lightest Stingray possible, but one that's still very well-equipped.

- Removable roof panel
- Bose premium 10-speaker system
- Chevrolet Infotainment 3 Plus system with 8-inch diagonal color touch-screen display and Google built-in*
- Standard 8-way power GT1 seats and power tilt/telescoping steering column
- HD Rear Vision Camera* and Rear Camera Mirror

2LT Coupe

2LT adds a number of comfort and convenience features in addition to color-matched interior options. Includes everything on 1LT, plus:

- Bose Performance Series 14-speaker sound system
- Heated and ventilated seats with power lumbar/wing adjust
- Memory Driver and Passenger Convenience Package
- Rear Cross Traffic Alert* and Side Blind Zone Alert*
- Performance Data Recorder
- Heated steering wheel
- Wireless phone charger*
- Head-up Display
- Power-folding outside mirrors
- HD Front and Rear Vision Cameras*, front camera is curb view
- Universal Home Remote

3LT Coupe

3LT is the utmost in luxury performance, with a leather-wrapped interior. Includes everything on 2LT, plus:

- 11 interior color options
- Custom leather-wrapped instrument panel and doors
- Sueded microfiber upper interior trim
- Standard GT2 seats in Napa leather

MODELS
