# TWO/THREE ROWS OF FAMILY FUN

Packed with three rows of seating that can accommodate up to seven passengers, the Grand Cherokee L (3-row) SUV has the longest wheelbase in its class—meaning more cargo, more friends and family and more Grand Cherokee than the two-row model.

**Two Row**

**Three Row**

# EXTERIOR

## **Grounded in style.**

Grand Cherokee lets you choose from a selection of wheel options for your vehicle, including available 21-inch polished aluminum wheels that'll leave the ground shaking and have passersby doing double takes.

## **Flashes of brilliance.**

LED lighting helps the Grand Cherokee brighten up the world around you. Equipped with LED headlamps, taillamps and available fog lamps, travelers both in and outside of the vehicle can know what's coming.

## **Dramatic design.**

Catch even more eyes with the available black roof, adding a two-tone color dynamic to this already striking SUV.

# INTERIOR

## Make your grander memories.

Two rows or three—it's up to you. The available Grand Cherokee L (3-row) offers multiple interior configurations, an available power-folding third-row bench, the ability to bring up to seven family members or friends along for the journey and expansive Best-in-Class second-row legroom. There's always room for more fun.

### Soothe your mood

An available multicolor ambient LED lighting system allows you to adjust the interior glow to suit your mood, making for a customizable atmosphere of contentment.

### Built to fit your family

The Grand Cherokee lineup offers two vehicle wheelbase lengths to accommodate almost everything life throws at you. Choose between two rows with seating for five and ample cargo space, or the extended Grand Cherokee L (3-row) with room for up to seven passengers and multiple cargo configurations — including an available power-folding third-row bench and Best-in-Class second row legroom.

### Room to bring what you need

Grand Cherokee invites you to bring the passengers and gear you want on your next adventure. Standard wheelbase 2-row models offer an impressive 70.8 cubic feet of cargo room, while the Grand Cherokee L (3-row) comes with several different seating configurations and up to 84.6 cubic feet of cargo room when the second- and third-row seats are folded down.

# CAPABILITY

## The freedom to find your joy.

With a Best-in-Class maximum towing capacity, a Best-in-Class standard driving range and a Best-in-Class departure angle, every 2025 Jeep® Grand Cherokee SUV is ready to take your whole crew to wherever their next adventure lies.

### Finely tuned traction

Three available 4x4 systems and the available Selec-Terrain® Traction Management System give Grand Cherokee power to overtake the unexpected. Choose from Auto, Sport, Rock, Snow or Mud/Sand at the turn of a dial.

### Quadra-Lift® Air Suspension System

With Electronic Semi-Active Damping, the Class-Exclusive available Quadra-Lift® Air Suspension System automatically lowers the vehicle at highway speeds to help maximize aerodynamics. For off-road situations, it raises the vehicle so it can clear obstacles on the trail.

### All systems go

Incredible capability means supreme confidence. Choose from three advanced available 4x4 systems that offer amazing all-weather capability: Quadra-Trac I®, Quadra-Trac II® and Quadra-Drive® II with a rear electronic limited slip differential.

# PERFORMANCE

## Pick your performance.

Beneath the contemporary design and cutting-edge tech of the 2025 Jeep® Grand Cherokee roars monstrous SUV power. Explore which of the vehicle's engine options can give you the brute strength and sharp performance needed to take you one step beyond.

### 2.0L I4 TURBO PHEV ENGINE

The 2.0L I4 Turbo PHEV engine uses 4xe technology to provide up to 375 horsepower and 470 pound-feet of torque for a maximum towing capacity of up to 6,000 pounds, combining advanced capability and incredibly efficient energy.

### 3.6L PENTASTAR® V6 ENGINE

Every journey is as efficient as it is powerful with the 3.6L Pentastar® V6 engine featuring Electronic Stop/Start Technology. When your vehicle stops, it cuts the flow of fuel and turns off the engine to optimize efficiency. It also provides up to 293 horsepower and can tow up to 6,200 pounds.

## TECHNOLOGY

### **Premium McIntosh® Entertainment System with 19 speakers.**

Boasting the Most Available Speakers in its Class, this available state-of-the-art system by renowned luxury home audio company McIntosh® keeps your whole family entertained with a 17-channel amplifier delivering up to 950 watts of power through 19 custom-designed speakers and a 10-inch subwoofer.

### **Uconnect® 10.1-inch touchscreen.**

It's hard to get lost with available TomTom Navigation on the Uconnect® 5 NAV system's 10.1-inch touchscreen. This expansive screen allows for personalization with up to five user profiles, a customizable home screen and simultaneous connection with multiple smartphones. Now everyone has their own digital space to enjoy.

### **Eyes on the prize.**

The Grand Cherokee L (3-row) offers an available rear-seat monitoring camera that helps you keep an eye on the kids, pets and other precious cargo. With a camera watching each back row, you can watch and zoom in through the Uconnect® 5 touchscreen.
