PERFORMANCE

Ready, steady and strong

At the heart of every Silverado lies a capable engine that uses the latest advanced technology to deliver impactful performance. Offering four powerful engine choices – including the only diesel in its class*, Duramax 3.0L Turbo-Diesel – Silverado delivers strength, dependability and a hefty payload.

TurboMax™ - Equipped with Active Fuel Management™ and Automatic Stop/Start

5.3L EcoTec3 V8 - Equipped with Dynamic Fuel Management and Automatic Stop/Start

6.2L EcoTec3 V8 - Equipped with Dynamic Fuel Management and Automatic Stop/Start

Duramax® 3.0L Turbo-Diesel - Equipped with Automatic Stop/Start

TOWING AND TRAILERING

Towing tenacity

With proven trailering technology and eight available cameras offering up to 14 views,* Silverado provides everything you need for a long day of towing. Plus, the available Trailering App offers customized trailer profiles, pre-departure checklists and trailer tire pressure/temperature monitoring.

Up to 14 Available Camera Views

From hitching to driving to parking, Silverado offers advanced camera technologies that are designed to help make your towing job easier from start to finish. Available on Silverado LT, RST, LT Trail Boss, LTZ, ZR2 and High Country.

Trailer Side Blind Zone Alert

Trailer Side Blind Zone Alert enables visual side-mirror alerts when a moving vehicle is detected in the side blind zone.

ADVANCED TECHNOLOGY

Super Cruise® hands-free driving

Available on High Country, Super Cruise* connected by OnStar offers hands-free driver assistance, managing speed and steering to keep you refreshed during your adventures — even while towing. On average, Super Cruise users drive more than 10 million hands-free miles per month total. Just as impressive: Super Cruise driver assistance technology won MotorTrend Best Hands-Free Driving Tech.

MOTORTREND
BEST TECH 2025

Super Cruise® with Trailering

Allows you to tow your heavy load hands-free. No other competitor offers a hands-free driving system with towing capability.

Automatic comfort and convenience

Automatically adjusts the gap between you and the vehicle ahead for extra stopping distance.

Turn on

Activate Super Cruise when the white Super Cruise icon appears on the instrument cluster.

Lights on

When the Super Cruise symbol and steering wheel indicator turn green, you're ready to go hands-free.

Hands off

Let go and enjoy one of the largest hands-free driving networks in North America.

INTERIOR

Inside ingenuity

Advanced interior technology puts infotainment at your fingertips and can even turn your Silverado into a mobile office with standard Wi-Fi®* hotspot capability — keeping you connected almost anywhere the day takes you.

13.4-inch diagonal touch-screen - Available

12.3-inch diagonal Driver Information Center - Available

Wireless Apple CarPlay®* and Android Auto™ - Compatibility

ZR2

Four wheels, no roads

Silverado ZR2 is most at home when it goes off-road. Outfitted with a long list of performance and capability features, ZR2 has what it takes to tame any trail.

Real wood trim and exclusive leather seating surfaces - Standard

Super Cruise®* hands-free driver assistance technology - Available

Head-Up Display - Available

DURABED & MULTI-FLEX TAILGATE

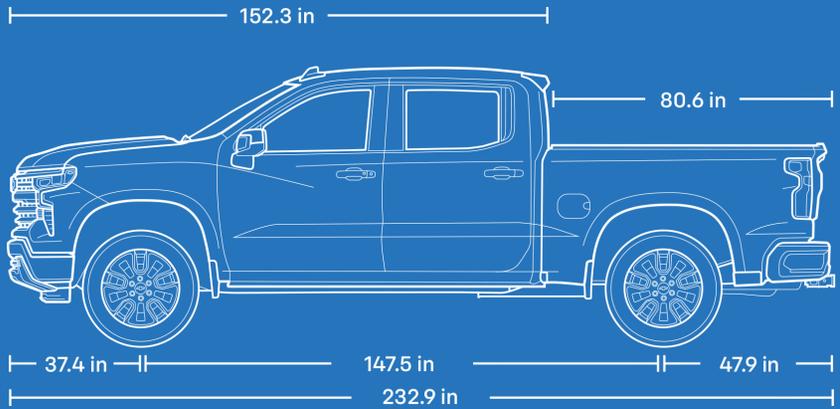

At the forefront of functionality

The available Multi-Flex Tailgate offers six different functions to help improve loading, unloading and accessing the cargo bed.

- Primary gate: Opens from the key fob, a switch inside the truck or a button on the gate.
- Primary gate load stop: Helps prevent extra-long items from sliding out of the bed.
- Easy access: The inner gate folds down, allowing you to reach farther into the bed.
- Full-width step: The inner gate folds down into a large step for easy access, capable of holding up to 375 lbs.
- Inner gate load stop: Helps prevent second-tier items from sliding out of the bed.
- Inner gate with work surface: When opened, provides a place for a laptop or blueprints, as well as second-tier loading.
