TECHNOLOGY

The Ultimate Hands-Free Driving Experience

Super Cruise driver assistance technology wins MotorTrend Best Hands-Free Driving Tech.

Power Your Home

Sierra EV Denali can provide to your home in a blackout when properly equipped for up to 21 days with reduced daily energy usage.

Head-Up Display

The 14" diagonal multicolor Head-Up Display helps you keep your eyes on the road by projecting key information directly onto the windshield.

OnStar Basics

Drive confidently with eight years of OnStar services to help you if you're in need.

Navigation & Voice Assistance

Get where you need to go while keeping your hands on the wheel and eyes on the road.

INTERIOR

Signature Denali Luxury

Sierra EV Denali features a stunning interior with a luscious expanse of open pore wood, exquisite embroidery and premium quilting pattern on the seats, and perforated accents on the doors.

Large Center Touchscreen

The 16.8" diagonal center touchscreen is easy to see and easy to use, featuring a customizable viewing experience.

Panoramic Glass Roof

Enjoy open-air ambience and ample driver headroom with a panoramic fixed glass roof. Tinted glass with infrared and UV coatings helps keep the cabin comfortable.

Bose Sound System

Immerse yourself in superior sound, thanks to a Bose* premium 7-speaker audio system with Richbass woofer.

EXTERIOR

Multipro Midgate

This feature allows you to extend your truck bed up to 10' 10" long when used with the load stop function, folded rear seats and removable back glass window.

Illuminating Design

The Sierra EV Denali pickup truck features a reimagined grille, gloss-black accents, an illuminated perimeter shield, illuminated GMC front badging and animated lighting while charging.

Multipro Tailgate

The six-function MultiPro Tailgate helps improve accessing, loading and unloading the cargo bed.

Extra Under-Hood Storage

The power-open eTrunk™ is a lockable weatherproof storage area in the front of the truck that offers an additional 11 cu. ft. of secured storage.

CAPABILITY

Power. Full.

The all-electric Sierra EV Denali generates an exhilarating available 760 hp and 785 lb.-ft. of torque, plus it offers max trailering of up to 10,000 lbs.

Fast. Very Fast.

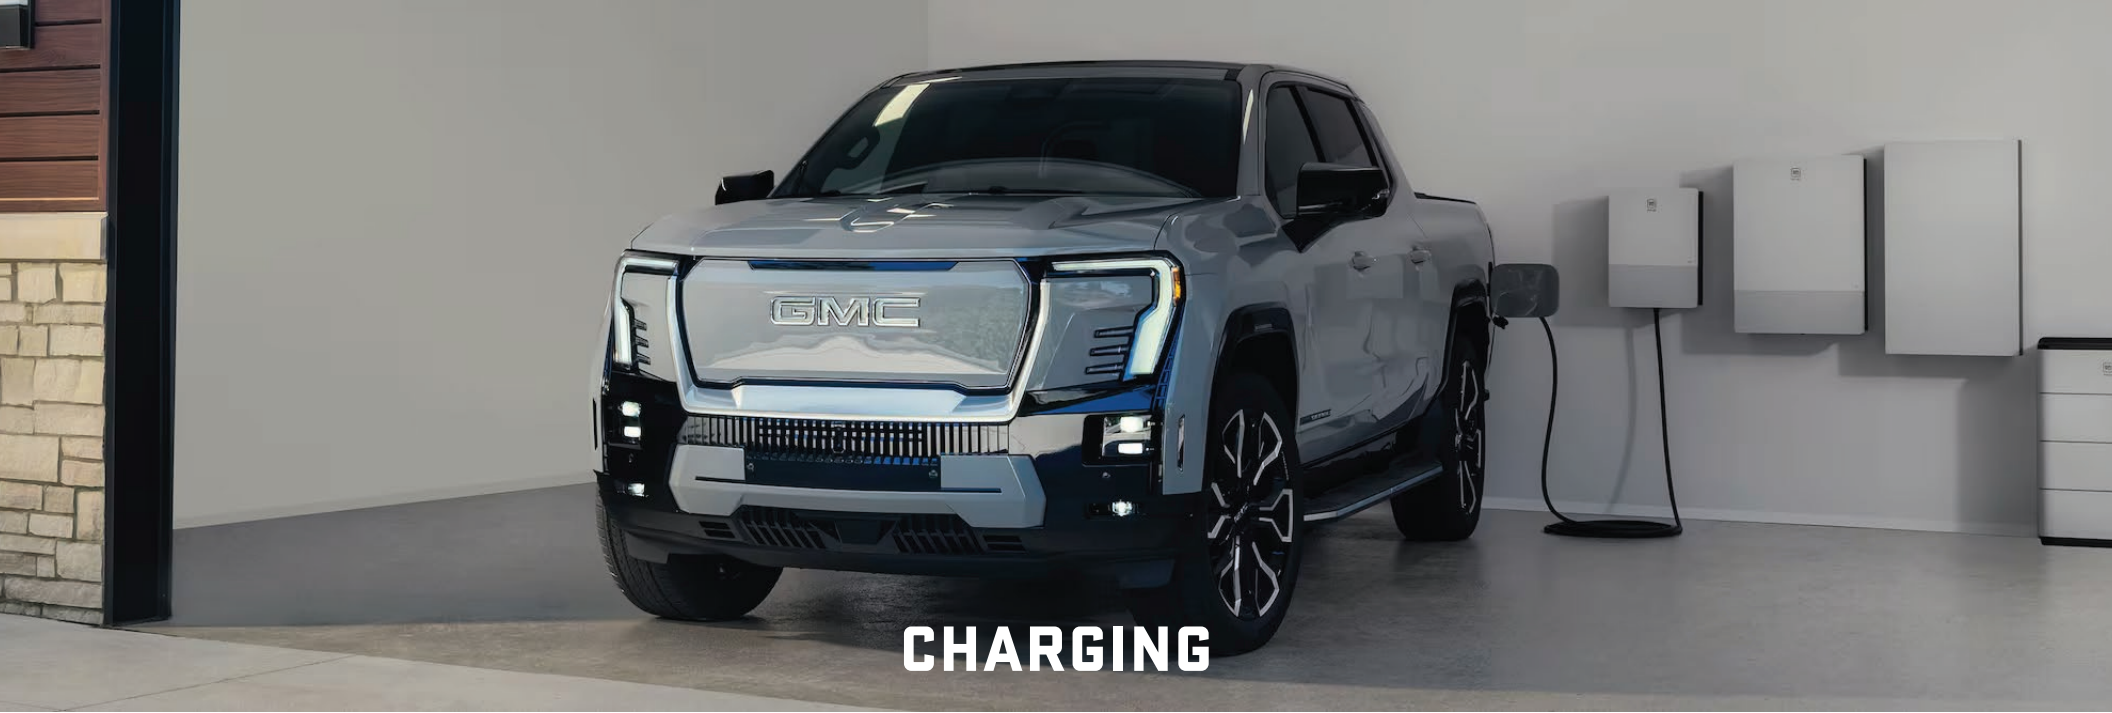

Experience 0-60 mph in less than 4.5 seconds* with Max Power mode.

4-Wheel Steer

Level up your precision driving with 4-Wheel Steer, which helps improve the turning circle and maneuverability. This allows all four wheels to work together for a smaller turning circle, helping you make tight turns.

Diagonal Movement

At low speeds, CrabWalk* turns the rear wheels in the same direction as the front wheels, allowing diagonal movement of the vehicle.

CHARGING

Power Your Gear

The available GMC Power Station Pro allows you to plug in your gear wherever you are, with up to 10.2 kW of off-boarding power, thanks to the available GM Accessories PowerBar+.

100 Miles In Approximately 10 Minutes

Sierra EV Denali features 800V public DC fast-charging of 100 miles in approximately 10 minutes.

Home Charging

Charge GMC Sierra EV Denali conveniently from home with various Level 2 charging options* from GM Energy.
