\$46,900

312 hp / 295 lb-ft / 5.2 s

COUNTRYMAN SE ALL4
\$45,200

308 hp / 364 lb-ft / 5.4 s

PEAK PRESENCE. PEAK PLAY

With a kaleidoscope of colors, juxtaposing elements, and high-shine surfaces, the MINI Countryman S ALL4 gives nature's finest work a run for its money.

DESIGN

Let the games begin

Get a warm welcome in and out with light orchestrations upon entrance and exit. Plus, set yourself apart with three distinct LED headlight and taillight signatures.

Sleek from corner to curve

Aerodynamic flush door handles are exclusive to the Countryman and pair perfectly with their pared-back, sophisticated silhouettes.

Upsized frame. Supersized fun.

Additional vehicle length, wider wheel arches including a power dome front hood, and prominent C-pillar design elements take the Countryman S ALL4 to new heights.

Escape your comfort zone in total comfort

Kick back in standard leather-free Sport Seats encased in Vescin and cloth, or take comfort to the next level with available JCW Sport Seats in the Favoured Style and available Massage Driver's Seat found in the Iconic Trim.

Cargo-ready, chaos-approved

24.9 cubic feet of cargo space, or 56.1 cu ft with the seats folded down, render the Countryman a weekend getaway warrior.

Dashboard overboard

A 2D-knitted fabric dashboard crafted from recycled polyester serves as the perfect final touch on a completely chrome-free cabin.

Skyline views come standard

With the expansive Panoramic Moonroof gracing the roof of your Countryman, sky blues and sunset hues become staples of every ride.

TECHNOLOGY

Expect the latest. Get the greatest.

Enjoy seamless searching and scrolling with MINI Operating System 9—which offers a MINI-specific user interface with touch and voice control, Remote Software Upgrades, Intelligent Cloud-Based Navigation, and more.

Experience true connection

MINI Connected is a suite of intelligent services that focus on real-time services like traffic updates and remote services to ensure connectivity between your car, phone, and external services.

Personal Assistant

When in doubt, talk it out. Your virtual copilot, the MINI Intelligent Personal Assistant, can lend a hand with everything from switching routes to switching songs.

CarPlay® & Android Auto™

Standard wireless Apple CarPlay® and Android Auto™ allow you to seamlessly connect your media for endless entertainment.

Remote Software Upgrade

Remote Software Upgrade is a convenient, stress-free way to get the newest functions and features.

Head-Up Display

Standard Head-Up Display presents key driving information, including navigation, speed, and alerts, while allowing you to keep your eyes on the road.

SAFETY FEATURES

Active Blind Spot Detection

With standard Active Blind Spot Detection, visual cues in exterior mirrors alert the driver to hazards in blind spots, with steering wheel vibration and collision avoidance systems activating when changing lanes.

Lane Departure Warning

With available Lane Departure Warning, a multi-camera array helps keep the vehicle centered in its lane and alerts the driver to any unintentional drift.

Frontal Collision Warning

Standard Frontal Collision Warning alerts the driver to potential collision threats and automatically activates the brakes if immediate intervention is needed.

Rear Cross Traffic Warning

Standard Rear Collision Prevention provides visual and audible alerts to help the driver avoid potential collisions when reversing.

Drive Recorder

The system detects accident situations and automatically records data around your MINI.

High Beam Assist

A driver assistance feature that automatically switches between high and low beams based on lighting conditions and traffic.

COUNTRYMAN SE ALL4

64.7 kWh: Battery Capacity

Up to 216 miles: EPA Range

130 kW: DC Fast Charging

Start the fun on full

Explore the range of home installation services provided by Qmerit and never leave home without a full charge.

Recharge on the road

With thousands of charging stations conveniently located across the country, you'll never have to stray far to fill up.

Tesla Supercharger access is here

The MINI ChargingNetwork continues to expand. With a compatible adapter, MINI EV drivers can now charge at Tesla Supercharger stations—which means it's never been easier to go the distance.

Charge Smarter with ChargeForward

Join thousands of customers and earn money smart charging your MINI! Optimize the best time to charge your MINI when carbon emissions are lower in your local energy grid. It's as easy as enrolling, setting your intended departure time and desired battery level! Simply enroll using your MINI ID in the My MINI App. All MINI EVs and PHEVs from 2018 forward can apply!

PERFORMANCE

MAXIMIZE THE MISCHIEF.

More horsepower means more horseplay—and with a JCW Tuned 2.0-liter Turbocharged 4-cylinder engine packing a serious punch of power, the JCW Countryman turns pavement into playground.

Engineering PERFECTION.

Experience excellence in motion. Every inch and aspect of a John Cooper Works is designed to go the extra mile, especially when it comes to horsepower and torque.
