INTERIOR

A refined, spacious cabin welcomes you in this luxury electric SUV. Artfully integrated storage and expertly optimized cabin space create a comfortable, uncluttered environment while the dual-pane Power SkyGlass™ roof and third-row fixed glass deliver an energizing sweep of natural light.

23-SPEAKER AKG
STUDIO AUDIO SYSTEM
WITH AVAILABLE DOLBY
ATMOS®

Elevates every drive with a multi-dimensional sound experience.

COMFORTABLE
SEATING

EV segment-best front row comfort, with the combination of standard massaging, heated, ventilated and 18-way power-adjustable seats. Available second-row captain's chairs are also heated.

INTELLIGENT 5-ZONE
CLIMATE CONTROL

This EV segment-best feature provides individualized comfort for every passenger via this microclimate system.

TRI-ZONE RADIANCE
LIGHTING™

126 color options set the mood or express your personality with accents across footwells, interior doors, along the power SkyGlass™ roof and more.

TWO COMMAND
CENTERS

The Front Command Center allows driver and passenger to adjust temperature, seating, Radiance Lighting™ and more using an 8" diagonal touchscreen for all three rows of seating. The Rear Command Center offers second-row passengers control of second- and third-row climate and Radiance Lighting™.

EXPRESSIVE
COLORWAYS

Set the tone with premium interior color options like Phantom Blue, exclusively found on the Premium Luxury model, or the stunning Kona Brown found only on Platinum.

PERFORMANCE

VISTIQ AWD EV reacts to the road, delivering a smooth, responsive (and dare we say, exciting) drive thanks to a sport suspension with Continuous Damping Control and available Active Rear Steering. Regenerative Braking conserves and captures braking energy for added range.

DUAL MOTOR ALL-WHEEL DRIVE

Standard dual motors deliver Cadillac-estimated 615 horsepower and 650 lb.-ft. of near-instantaneous torque in Velocity Max for full acceleration behind all four wheels as soon as your foot hits the pedal.

AIR RIDE ADAPTIVE SUSPENSION

This available feature lowers the vehicle's height to improve aerodynamic efficiency at highway speeds.

ACTIVE REAR STEERING

This available feature improves driver maneuverability and turning diameter, making the vehicle feel more agile, nimble and smaller than it actually is.

VELOCITY MAX

When activated, Velocity Max enables 0-60 in 3.7 seconds with a Cadillac estimated 615 horsepower and 650 lb.-ft. of torque.

DRIVER MODES

Customize your driving preferences or adapt to changing road conditions.

BREMBO® BRAKES

Precise stopping power paired with front and rear black painted brake calipers, exclusive to Platinum.

CHARGING AND RANGE

VISTIQ offers up to EPA-estimated 305 miles of range. Easily charge at home, at work or on the road with an ever-expanding charging network. And with the available North American Charging Standard (NACS) DC GM-approved adapter, you can access 29,000+ Tesla Superchargers.

MYCADILLAC MOBILE AND IN-VEHICLE APPS

Plan your routes and locate compatible public charging stations with real-time availability.

19.2 kW AC AND DC FAST CHARGING

Enjoy up to 46.9 miles of range per hour of charge with an available GM Energy PowerShift wall charger and up to 80 miles of range in about 10 minutes at a public DC Fast Charging station.

BACKUP POWER FOR YOUR HOME

Explore turning your compatible VISTIQ into a brilliant source of backup power for your home

TECHNOLOGY

Luxury for your life delivered with forward-leaning innovations. VISTIQ helps you fulfill daily demands with ease and an eye to the future.

AUGMENTED REALITY HEAD-UP DISPLAY

This available feature uses real-time projection to display information on two viewing planes to provide information to the driver where it's most helpful and intuitive, such as navigational and directional cues, speed, and Driver Assist information.

DUAL-FRONT WIRELESS PHONE CHARGING

Both driver and front passenger can charge their phones wirelessly.

SUPER CRUISE® HANDS-FREE DRIVER ASSISTANCE TECHNOLOGY

Standard with 3-year OnStar® One plan.

NIGHT VISION

This available feature displays a thermal image to help you see beyond your headlamps and alerts you to detected pedestrians or large animals directly ahead of you.

GOOGLE BUILT-IN COMPATIBILITY

Access live traffic, podcasts, apps and more, like smart home integration all from a sweeping 33" Horizon Display™

EXTERIOR

Don't just catch the light—create it. VISTIQ exudes power, coupling a clean, minimalist aesthetic with a commanding stance. Impressive choreographed exterior LED lighting heralds every arrival with futuristic flair.

CHOREOGRAPHED EXTERIOR LED LIGHTING

A choreographed dance of light begins at the grille and headlamps, then moves completely around your vehicle each time you approach or walk away.

DUAL-PANE POWER SKYGLASS™ ROOF WITH THIRD-ROW FIXED GLASS

Enjoy an expansive view from every seat, and control your experience with the standard power shade (for the first and second rows) and sun shade (for the third row).

PLATINUM DETAILS TRANSCEND

This stunning available model includes exclusive body accents, standout styling elements, an exclusive interior color and front Brembo® brakes.

BLACK ROOF

This distinct styling choice adds a striking contrast to your exterior paint color and adds focus to the body lines. Standard on Platinum and available on all models.

SPORT ACCENTS

Featuring bold exterior details like Obsidian Chrome and Gloss Black accents, unique color choices, black roof rails, and 21" Diamond Cut wheels with Medium Android finish and Carbon Flash Metallic inserts that add an especially modern attitude.

AVAILABLE 23" WHEELS

For stunning street style.

SAFETY AND DRIVER ASSISTANCE

OPTIQ is a bold step in our commitment to a zero-crash future. Our 5-passenger EV SUV offers an extensive collection of safety and driver assistance features to help inspire confidence on every drive.
