- Standard Allison® 10-speed automatic transmission

TOWING AND TRAILERING

The bigger the trailer, the better it gets

Since every Silverado HD Dually paired with the available Duramax 6.6L Turbo-Diesel V8 can pull over 30,000 lbs.*, you can feel good about picking out the big trailer. Plus, 2500 HD offers segment-leading maximum Crew Cab towing capability of 22,070 lbs.* And when you add in a host of available advanced towing technologies, you can feel confident every time you hitch up.

10-speed Allison® automatic transmission

19,090 lbs. max avail. towing Gas

36,000 lbs. max avail. towing Diesel

PERFORMANCE

Power for every purpose

For 2024, the reliable durability of the Allison® 10-speed transmission is paired with both Silverado HD powerplants. And because the best always strives for more, the available Duramax 6.6L Turbo-Diesel V8 engine has been enhanced with additional horsepower and torque to help you get the most out of every day.

Duramax® 6.6L Turbo-Diesel V8

- 470 horsepower
- 975 lb.-ft. torque
- 10-speed Allison® automatic transmission
- 36,000 lbs.* max available trailering weight

6.6L V8 gas engine 470 horsepower

- 401 horsepower
- 464 lb.-ft. torque
- 10-speed newly available Allison® automatic transmission
- 19,090 lbs.* max available trailering weight

DURABED

The pickup bed that never rests

We combined high-strength roll-formed steel, more cargo volume than any other competitor and 12 standard tie-downs rated at 500 lbs. per corner to give you the hardest-working bed in the business.

LED cargo area and perimeter lighting

120-volt outlet
