

THE 2024  
CX-5

## OVERVIEW

The critically acclaimed CX-5 has received numerous top industry and safety awards including the Insurance Institute for Highway Safety (IIHS) TOP SAFETY PICK in 2023. The CX-5 was also the first vehicle to earn a Good rating in IIHS's new, tougher side impact test. To that end, all the engineering and safety features that contributed to these awards have been carried over to the 2024 model year as standard features. These include Mazda Radar Cruise Control with Stop and Go, Smart Brake Support, Advanced Smart City Brake Support, Blind Spot Monitoring, Rear Cross-Traffic Alert, and Lane Departure Warning with Lane Keep Assist. These features allow CX-5 drivers to feel confident and comfortable, from the city streets to the open highway.

# CHOOSE YOUR TRIM

## 2024 CX-5 TRIM LEVEL DIFFERENCES

The 2024 Mazda CX-5 comes in 2.5 S and 2.5 Turbo model series, with the "2.5" referring to the size of the engine. The CX-5 2.5 S has a 2.5-liter four-cylinder engine making 187 horsepower. The CX-5 2.5 Turbo has a turbocharged version of the same engine good for 227 hp on regular octane gas. With 93 octane fuel, power rises to 256 hp. Keep reading to get our breakdown of the CX-5's trim levels, significant standard features and notable options.

### 2.5 S SELECT

This base trim comes decently equipped with features including:

- Standard all-wheel drive
- Six-speed automatic transmission
- 17-inch gray-painted alloy wheels
- LED headlights
- Remote keyless entry with push-button start
- Leather-wrapped steering wheel
- 40/20/40-split folding back seat
- Dual-zone automatic climate control
- Power-adjustable driver's seat
- Heated front seats

- Adaptive headlights (swivel as you turn the steering wheel for better illumination in curves)
- Sport and Off-Road driving modes (Mazda Intelligent Drive Select)
- Transmission paddle shifters on the steering wheel
- Bigger driver information display

## CARBON TURBO

New for 2024, the Carbon Turbo is the least expensive trim to have the turbocharged engine. Broadly, it combines the features of the S Premium Plus with the special appearance enhancements of the 2.5 S Carbon Edition.

## TURBO SIGNATURE

The range-topping Turbo Signature is the most luxurious CX-5:

- Bright silver wheel finish and exterior accents
- Body-color exterior trim
- LED and ambient interior lighting
- Black headliner
- Premium brown leather upholstery
- Wood trim
- Navigation system
- Driver attention warning (issues an alert if sensors determine you are becoming fatigued)
- Surround-view camera system (gives you a top-down view of the CX-5 and its surroundings for tight parking situations)
- Parking sensors (alert you to obstacles that may not be visible in front of or behind the vehicle when parking)
- Rear automatic braking (brakes if sensors detect an imminent collision with an object behind the vehicle)

# TECHNOLOGY

## CONNECTED SERVICES

Through Mazda Connected Services, you have control of your vehicle and its features right at your fingertips. With the MyMazda App, you can start your SUV, set the temperature, access in-vehicle Wi-Fi capabilities, and so much more, making the CX-5 one of the most convenient crossovers on the streets. You'll also be able to access emergency services and roadside assistance, which adds another layer of assurance to the daily drive.

## CUSTOMIZED DRIVE MODES

Through the available Mazda Intelligent Drive Select technology, or Mi-Drive for short, you can craft the ride you desire at all times. From a more exciting experience behind the wheel with Sport Mode to enhanced stability with Off-Road Mode, the perfect ride can be yours with just the push of a button. This allows you to feel truly connected with your vehicle, making it easy to enjoy the best experience possible every single time you take your place in the driver's seat.
