

THE X7

THE 2025 BMW X7 SUV

HIGHLIGHTS

GRAND ACCOMMODATIONS

You've worked hard to get here – now enjoy going everywhere else. The 2025 BMW X7 full-size SUV features luxurious finishes, expert engineering, and spacious freedom for driving comfort from the inside out.

Expansive Space.

There's plenty of room for all in the largest BMW SUV ever. Enjoy seating for seven with second-row bench seats as standard, or opt for the optional six-seat configuration with Captain's Chairs.

Air Suspension.

Comfort extends beyond the cabin of the BMW X7. Standard two-axle air suspension provides incredible driving comfort, while the adjustable height allows for easier entry and loading.

First-Class Seating.

Complete comfort awaits. Standard Multi-Contour Heated Front Seats are an ergonomic upgrade that can be elevated even further with available Ventilated and Massage options. Choose the available Heated Rear Seats to extend warmth to every seat in your SUV.

TECHNOLOGY

YOUR LIFE, CONNECTED

From intuitive displays to advanced safety systems, the technology in the 2025 BMW X7 SUV works in harmony to make your life easier.

Innovation on display.

Generously spanning the dashboard, the standard BMW Curved Display features BMW Operating System 8.5. Meanwhile, Remote Software Upgrades and a customizable home screen puts an emphasis on ease.

Ready whenever you are.

The convenient My BMW App places essential information like vehicle status, maps, and maintenance information within reach. Standard Remote Engine Start lets you power up your engine right from your smartphone.

“Hey, BMW...”

For every question or qualm, the standard voice-activated BMW Intelligent Personal Assistant is there to help. It gets smarter with every interaction – making your drive perfect before you even ask.

Proactive protection.

In the 2025 BMW X7, impressive safety features include Available Highway Assistant with Active Lane Change, part of the Driving Assistance Professional Package, allowing for hands-free driving up to 85 mph. Standard safety systems include Active Blind Spot Detection, Frontal Collision Warning with City Collision Mitigation, and Lane Departure Warning.

Park with ease.

At the push of a button, BMW's available Parking Assistance Package, which includes Surround View with 3D View, takes control and parks the vehicle with your supervision.

LUXURY

INCREDIBLE INTERIOR

In the 2025 BMW X7, luxury surrounds you. Every detail is thoughtful, every finish is elegant, and every drive is enjoyed.

A wide-open vista.

A beautiful standard Panoramic Glass Roof creates an open, spacious feel – and a dramatic effect when illuminated by the color-changing splendor of the optional Sky Lounge LED Panoramic Roof.

Stylish switches.

A modern rocker switch, available in an opulent glass finish, makes selecting gears easy and intuitive.

Bespoke style.

Enjoy comfort crafted to the highest standards. Available BMW Individual enhancements include the finest leathers, exclusive colors, and gorgeous interior trims, all custom added to your specifications.
