YUKON COLORS

Onyx Black

Downpour Metallic

Sterling Metallic

Summit White

Titanium Rush Metallic

Volcanic Red Tintcoat

16.8" Diagonal Premium GMC Infotainment System

The color touchscreen with Google built-in compatibility and voice-activated technology for your phone provides a seamless way to customize your entertainment.

Panoramic Sunroof

This available feature includes dual panes with tilt sliding, express-open and express-close, and a power sunshade – standard on AT4 Ultimate and Denali Ultimate.

Second-Row Executive Seating

Denali Ultimate's available second-row executive seating offers heated and ventilated luxury captain's chairs with massage feature, 14-way power seat adjusters, and stainless steel Bose head-restraint speakers – part of up to 22 total speakers.

TECHNOLOGY

Super Cruise

Experience the freedom of going hands-free. Available Super Cruise driver assistance technology with Hands On Steering Assist helps make every mile more enjoyable.

Night Vision

Available Night Vision displays a thermal image to help you see beyond your headlights and alerts you to detected pedestrians or large animals directly ahead of you.

Head-Up Display

The available multicolor 15" diagonal Head-Up Display helps you keep your eyes on the road by projecting key information directly onto the windshield.

Available Rear-Seat Media System

Backseat passengers can stream their favorite entertainment with dual 12.6" diagonal color-touch LCD high-definition screens with Bluetooth® headphone compatibility and two HDMI® ports on the back of the center console.

OnStar

Go confidently with available OnStar technology. Enjoy the convenience of remote commands, the reassurance of Automatic Crash Response, and the entertainment of in-vehicle apps.

CAPABILITY

Power That Delivers
