CAPABILITY

Turbomax™ Engine: Two Powerful Forces Come Together

The TurboMax™ engine delivers 310 horsepower, best-in-class* standard torque of 430 lb.-ft., available max towing of up to 9,400 lbs.* and a 5 years/100,000 miles Powertrain Limited Warranty.

6.2L V8 Engine

- 420 horsepower
- 460 lb.-ft. of torque
- 15 city/19 hwy/MPG
- Dynamic Fuel Management
- Available max tow up to 13,000 lbs.
- 10-speed automatic transmission

Duramax 3.0L Turbo-Diesel

Along with incredible power, capability and efficiency, the GMC Sierra's Duramax 3.0L Turbo-Diesel engine offers Active Thermal Management to help maintain an ideal engine temperature and an electrically controlled, variable-geometry turbocharger that helps enable responsive acceleration. No other competitor in its class offers an available diesel engine.

- 305 horsepower
- 495 lb.-ft. of torque
- Active Thermal Management
- Available max tow up to 13,200 lbs.*
- 10-speed automatic transmission

5.3L Gas Engine

- 355 horsepower
- 383 lb.-ft. of torque
- Available max tow up to 11,200 lbs.

OFF-ROAD SUSPENSION

Standard on AT4:

- Factory-installed 2" suspension lift
- Two-speed Autotrac transfer case, automatic locking rear differential and skid plates
- Off-road-tuned Rancho monotube shock absorbers

Standard on AT4X:

- Multimatic DSSV dampers, which provide control and comfort on the road, and robust performance for extended off-road adventures
- Uniquely tuned springs, and increased front and rear suspension travel
- Specific off-road chassis and tuning
- Front and rear electronic locking differentials, a combination not offered on any competitor in its class,* assure both wheels will spin together to help keep traction in off-road situations where one wheel is off the ground or on a low-traction surface

TECHNOLOGY

Super Cruise

Experience the freedom of going hands-free with available Super Cruise* on a growing network of compatible roads that helps make every mile more enjoyable.

Up to 14 Camera Views

Navigate tight parking lots and maneuver your pickup truck and trailer with confidence, using up to 14 available camera views.

40" Diagonal of Combined Digital Displays

Large, driver-focused digital displays offer a sophisticated and connected driving experience.

Available Prograde Trailering System

Streamline the hitching and towing process with integrated tools that help your light duty truck tow with commanding control and confidence.

INTERIOR

Spacious Crew Cab

The Sierra 1500 light-duty truck offers best-in-class Crew Cab front head- and legroom, so you can comfortably enjoy more of your own space.

Premium Materials

From available leather appointments to heated and ventilated power-adjustable front outboard seats, you'll find thoroughly crafted details for ultra-premium comfort.

Smart & Ample Storage

Whether it's supplies for work or gear for the weekend, there's plenty of space in your full-size to store your materials without compromising interior comfort.

EXTERIOR

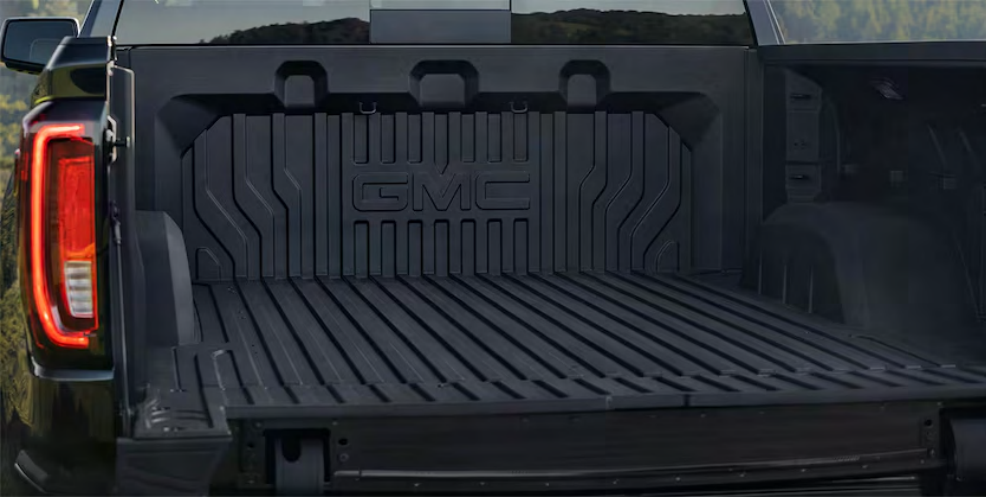

Distinct Grilles

Stand out everywhere you go with the GMC Sierra 1500 pickup truck's bold grille designs.

MultiPro Tailgate

Make light work of almost any job with the world's first available six-function GMC MultiPro Tailgate.

Available CarbonPro Composite Bed

Best-in-class* short bed cargo volume built to handle what life throws at you.
