

THE X2

2025 BMW X2 COUPE SUV.

DESIGN

THE DISRUPTOR

Luxury, performance, and versatility. The BMW X2 makes a powerful entrance with its athletic design. Immerse yourself in a sumptuous interior, boasting state-of-the-art tech and complete comfort. Explore models, features, and prices, and customize your BMW X2 today.

Performance and design that stand out.

The X2 makes an unforgettable entrance with its striking combination of SUV and coupe design. Elegant interior features include the available Sky Lounge Panoramic Roof and sweeping BMW Curved Display. The X2 xDrive28i boasts a horsepower of 241, with a blistering 0-60 mph of 6.2 seconds.

Intelligent LED technology.

Illuminating and distinct: the X2's state-of-the-art LED front headlights and taillights are only the beginning. Daytime driving illumination and position lights mark the intention and sophistication of the X2 whether you're parked or driving.

DESIGN

EXCELLENT COMFORT PERSONIFIED

Stargazing.

The Sky Lounge Panoramic Roof creates an atmosphere of spaciousness for both driver and passengers.

More light, more sight.

Sharply illuminate the road ahead and leave a bright outline in your wake with LED head-lights and taillights.

Unique right down to the trim.

The X2's 19" Light Alloy wheels marry design and performance, creating a strong foundation from the ground up.

A bold front.

The X2's sporty, glossy kidney grille draws the eye to the striking front design of the X2.

INTERIOR

BETTER CONNECTED

BMW Digital Premium fully connects your BMW with the digital world. Enjoy music, audio books, podcasts, news – all via a smooth streaming 5G connection. Regular online updates keep your apps running perfectly. With just one subscription, you have access to all of BMW's digital services. Available subscription periods may differ by mode

More features and operations.

Intuitive controls is at your fingertips with BMW Operating System 9. Utilize navigation, entertainment, and customizable driving settings via the BMW Curved Display and BMW Live Cockpit Professional.

Comfort in every seat.

Perforated Veganza upholstery attracts the eye and envelops the senses.

Elevated for ease.

A raised gearshift lever nestles in the elevated center console, efficient and purposefully designed.

TECHNOLOGY

INTEGRATED AND INNOVATIVE

Ever-present entertainment.

AirConsole games transform your parked BMW into a gaming lounge. Your smartphone becomes the controller, and the substantial BMW Curved Display becomes the console for single or multi-player. It's as easy as scanning a QR code and pressing play.

Full integrated video streaming.

Make your parked X2 your lounge with high-resolution streaming on the BMW Curved Display.

More order, more comfort.

A wireless charging tray modernizes the car charging experience with extended storage, no cables, and placement within arm's reach.

Everything in view.

The BMW Head-Up Display projects navigation and key driving information at eye-level, allowing you to concentrate fully on the road.

THE X2 AT A GLANCE

Is the BMW X2 a reliable family car?

The BMW X2 is a reliable family car. It comes standard with Active Driving Assistant, which includes multiple safety systems like Frontal Collision Warning with City Collision Mitigation, Lane Departure Warning, and Active Blind Spot Detection to provide extra protection for you and your passengers on the road.

What features does the new BMW X2 offer?

The new BMW X2 has many exciting features, including the standard BMW Curved Display with BMW's Operating System 9 and Intelligent Personal Assistant; Apple CarPlay® and Android Auto™ compatibility and Remote Software Upgrades. Also standard is safety technology like Active Blind Spot Detection, Lane Departure Warning, and Front Collision Warning with City Collision Mitigation.

Does the new BMW X2 have all-wheel drive?

Yes, all new BMW X2 models have all-wheel drive. The new BMW X2 also comes equipped with xDrive, BMW's intelligent all-wheel drive system, as standard. This advanced system delivers enhanced traction, so you can navigate everything from adverse weather to rough road conditions.

How much cargo space does the BMW X2 have?

The BMW X2 has 25.3 cubic feet of storage space. With the rear seats folded down, the X2 has 51.7 cubic feet of storage space.

How fast does the BMW X2 go from 0-60 mph?

The BMW X2 xDrive28i has 241 horsepower and goes from 0-60 mph in 6.2 seconds. The BMW X2 M35i has 312 horsepower and goes from 0-60 mph in 5.2 seconds.

What is the difference between the BMW X2 and the X1?

The BMW X1 and X2 both have five passenger seats, but they differ in terms of body style. The X2 is a Coupe SUV, with a sloping roofline and sleek coupe exterior, whereas the X1 is an SUV with a more robust silhouette. The X2 is slightly shorter than the X1 (62.6 inches vs. 64.6 inches) and has 25.3 cubic feet of storage space behind the rear seating row, vs. 25.7 cubic feet of storage space in the X1.
