## DESIGN

### **Midnight and Sport Special Editions**

**Black grille and blackout components**

**Black Traverse badging**

**Black Chevrolet bowties**

**20-inch high-gloss Black-painted aluminum wheels**

## INTERIOR

### Inner goals

Traverse offers available seating for up to eight, plus flexible second-row seating options with your choice of bench seats or captain's chairs, and a best-in-class max cargo volume of 98 cu. ft.

### Spoiled for choice

Z71 is geared up with off-road capability and rugged looks to match. High Country is a 3-row SUV with all-around premium appeal. RS pairs bold street style with impressive versatility. And LT provides both value and space for any growing family.

### **Top-of-class max cargo space**

Pack in what you need and still have space for more with up to 98 cu. ft. best-in-class max cargo volume.

### **Open hands-free**

The innovative AutoSense Power Liftgate recognizes your presence and opens without you needing to fumble for keys or search for sensors.

### **Flex, fold and fit what you need**

A roomy third-row 60/40 split bench provides the flexibility you need. RS and High Country add standard One-Touch Fold second-row seats and power-folding second- and third-row seating.

## Built to explore

The Traverse midsize SUV features a turbocharged 2.5L engine with improved performance and greater efficiency than the previous generation V6.

- 328/326 lb.-ft.: Max horsepower/torque
- 8-speed: Standard automatic transmission
- 5,000 lbs.: Standard towing capacity with included trailering equipment
- 20/26 MPG: City/Highway on FWD

# TECHNOLOGY

## Connected around the clock

Chevy Traverse is stacked with convenient technology like the 11-inch diagonal Driver Information Center, and the impressive 17.7-inch diagonal display screen that can be personalized to your liking. Simplify every drive with Google built-in compatibility using apps like Google Assistant, Google Maps and Google Play. And stay connected with available OnStar® services, which provide a variety of safety, entertainment, convenience and driver experience features.

**17.7-inch diagonal color touch-screen**

**11-inch diagonal Driver Information Center**

**HD Surround Vision**

**Super Cruise®**

# SAFETY

## Ready with the assist

The 2026 Traverse is packed with features like Chevy Safety Assist and over 20 standard safety and driver assistance features to help keep you and your passengers safe on the road.

- Front Pedestrian and Bicycle Braking
- Blind Zone Steering Assist
- Rear Cross Traffic Braking
- Automatic Emergency Braking
- Safety Alert Seat
