# PERFORMANCE

## Off-road capability you can count on

Available TurboMax™ engine

8-speed transmission

430 lb.-ft. of max torque

# DRIVE MODES

## Dialed-in performance

Colorado offers up to five available drive modes to help optimize your truck's performance and adjust to challenging road conditions with the simple turn of a dial.

- Off-Road: Offers more traction on loose surfaces like grass, mud, gravel or deep snow.
- Terrain: Perfect for tackling steep hills or crawling over obstacles. Can also automatically apply the brakes for enhanced climbing control.
- Baja: Exclusive to ZR2, this mode optimizes power delivery, stability and traction control when driving over sandy terrain.
- Tow/Haul: Optimizes performance when towing or hauling a heavy load.
- Normal: The default mode that optimizes performance for your everyday drive.

# ZR2 BISON

## The end of the road is just the beginning

Created in collaboration with American Expedition Vehicles (AEV) — Colorado ZR2 Bison holds the best-in-class\* record in ground clearance, breakover angle and underbody protection. It also features front and rear jounce control dampers, performance tested on desert racer Chad Hall's Colorado ZR2 during the Best in the Desert series.

**35-inch OD MT tires**

**12.2-inch ground clearance**

**5 Boron Steel skid plates**

# DESIGN

## Form that functions

Offering up to 17 available tie-downs and an available StowFlex tailgate, the eye-catching Colorado is ready to help you work hard so you can play harder.

## Tailgate: A bed that's ahead of its class

Flexible design features such as a mid-position tailgate capable of supporting 500 lbs., an available built-in 120-volt power outlet along with cargo bed lighting, and a convenient measurement tool built into the tailgate make it easy to see how Colorado offers better bed and tailgate functionality than any other competitor in its class.

## Accessories: Cover your cargo

Shield and secure your cargo with an available truck bed cover made to provide the protection you need while still maintaining full access to the bed and everything in it.

## TECHNOLOGY

### Stay in touch with the world around you

Colorado offers convenience wherever you go with standard Google built-in, Apple CarPlay®\* and Android Auto™ to keep you connected, plus displays that put everything you need right where you need it - including segment-first available underbody cameras that offer a real-time forward- and rear-facing view beneath the truck for convenience for any adventure.

**11.3-inch diagonal center touch-screen**

**Available enhanced wireless charging**

**Segment-first available underbody cameras**

# SAFETY

## Adventure with confidence

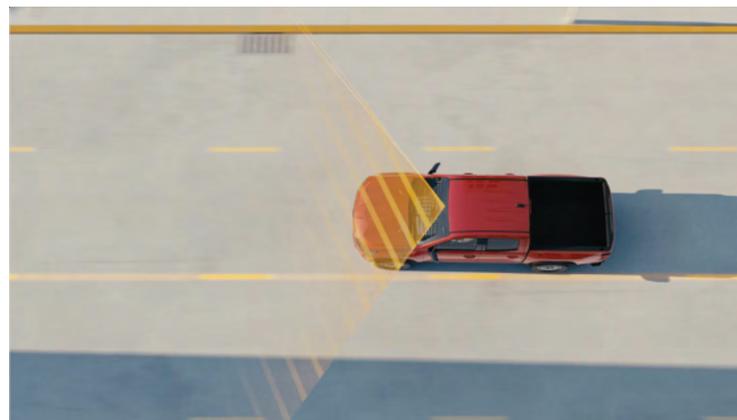

The 2025 Colorado comes with standard Chevy Safety Assist, a package of six advanced safety and driver assistance features that help you approach every adventure with care.

**Forward Collision Alert and Automatic Emergency Braking**

**Front Pedestrian Braking**

**Lane Keep Assist with Lane Departure Warning**
