(e-AWD Trims, Wind+, Land,
Requires Towing Package)

Rugged outside. Civilized inside. The all-new EV9 is a capable, three-row SUV, seamlessly merged with a strikingly crafted EV. Built for serious performance and versatility, EV9 offers a choice of powerful, all-electric drivetrains with available features like Dual-Motor e-AWD,[†] 7.8 inches of ground clearance,^{*} and 5,000 lbs. of towing capacity.^{13*} Inside, comfort, luxury, and advanced tech rule every drive, with available Head-Up Display,^{6*} 24.6-inch total combined Dual Panoramic HD display,^{7*} a 5-inch Climate Control display, and Advanced Highway Driving Assist with LiDAR technology.^{14*} Plus a premium, road-trip-ready cabin that seats up to 7 passengers featuring outstanding 2nd-row legroom and generous cargo space.[‡]

*Optional features available only on certain trims. See Features page for availability. [†]No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive safely. ¹²Based on Kia estimates. Figures not available at time of printing. All cargo should be evenly distributed, properly secured, and never piled higher than the seatback. 6, 7, 11-14 See inside back cover for endnotes. EV9 Land e-AWD shown.
