312 hp / 295 lb-ft / 5.2 s

COUNTRYMAN SE ALL4
\$45,200

308 hp / 364 lb-ft / 5.4 s

DESIGN

Let the games begin

Get a warm welcome in and out with light orchestrations upon entrance and exit. Plus, set yourself apart with three distinct LED headlight and taillight signatures.

Sleek from corner to curve

Aerodynamic flush door handles are exclusive to the Countryman and pair perfectly with their pared-back, sophisticated silhouettes.

Upsized frame. Supersized fun.

Additional vehicle length, wider wheel arches including a power dome front hood, and prominent C-pillar design elements take the Countryman S ALL4 to new heights.

Escape your comfort zone in total comfort

Kick back in standard leather-free Sport Seats encased in Vescin and cloth, or take comfort to the next level with available JCW Sport Seats in the Favoured Style and available Massage Driver's Seat found in the Iconic Trim.

Leave the gloves behind

With Heated Sport Seats and a Heated Steering Wheel at no extra cost, the Cooper warms more than hearts alone.

Dashboard overboard

A 2D-knitted fabric dashboard crafted from recycled polyester serves as the perfect final touch on a completely chrome-free cabin.

Skyline views come standard

With the expansive Panoramic Moonroof gracing the roof of your Countryman, sky blues and sunset hues become staples of every ride.

TECHNOLOGY

Expect the latest. Get the greatest.

Enjoy seamless searching and scrolling with MINI Operating System 9—which offers a MINI-specific user interface with touch and voice control, Remote Software Upgrades, Intelligent Cloud-Based Navigation, and more.

Software that stays current

MINI Connected is a suite of intelligent functions, apps, and services that securely and seamlessly keep you and your passengers connected to your MINI and the world around you.

Personal Assistant

When in doubt, talk it out. Your virtual copilot, the MINI Intelligent Personal Assistant, can lend a hand with everything from switching routes to switching songs.

CarPlay® & Android Auto™

Standard wireless Apple CarPlay® and Android Auto™ allow you to seamlessly connect your media for endless entertainment.

Remote Software Upgrade

Remote Software Upgrade is a convenient, stress-free way to get the newest functions and features.

Head-Up Display

Standard Head-Up Display presents key driving information, including navigation, speed, and alerts, while allowing you to keep your eyes on the road.

SAFETY FEATURES

Active Blind Spot Detection

With available Active Blind Spot Detection, visual cues in exterior mirrors alert the driver to hazards in blind spots, with steering wheel vibration and collision avoidance systems activating when changing lanes.

Lane Departure Warning

With available Lane Departure Warning, a multi-camera array helps keep the vehicle centered in its lane and alerts the driver to any unintentional drift.

Frontal Collision Warning

Available Frontal Collision Warning alerts the driver to potential collision threats and automatically activates the brakes if immediate intervention is needed.

Rear Cross Traffic Warning

Available Rear Collision Prevention provides visual and audible alerts to help the driver avoid potential collisions when reversing.

Drive Recorder

The system detects accident situations and automatically records data around your MINI.

High Beam Assist

A driver assistance feature that automatically switches between high and low beams based on lighting conditions and traffic.

FROM LOS ANGELES

TO SAN DIEGO

64.7 kWh: Battery Capacity

Up to 212 miles: EPA Range

130 kW: DC Fast Charging

Start the fun on full

Explore the range of home installation services provided by Qmerit and never leave home without a full charge.

Recharge on the road

With thousands of charging stations conveniently located across the country, you'll never have to stray far to fill up.

Make changes on the move

The MINI app provides seamless route planning and charging stop recommendations based on your battery.

Cut down your commute

Your Countryman SE ALL4 may be eligible for HOV lane access with a single occupant, as well as preferential parking while charging and toll savings in select states.

PERFORMANCE

PLAY HARD CORNER HARDER.

MINI's renowned racing legacy takes a high-speed turn with this high-performance compact SUV that comes power-packed with 312 horsepower and 295 lb-ft of torque.

Engineering PERFECTION.

Experience excellence in motion. Every inch and aspect of a John Cooper Works is designed to go the extra mile, especially when it comes to horsepower and torque
