- 7.3L 2-Valve DEVCT NA PFI V8 Gas engine
- Kingsville leather antique interior
- Trailer reverse guidance
- Rear parking sensors

## Super Duty® F-250® Platinum®

- 7.3L 2-Valve DEVCT NA PFI V8 Gas engine
- LED fog lights
- Power deployable running boards
- Power tailgate with retractable tailgate step

## Super Duty® F-350® XL

- 6.8L 2-Valve DEVCT NA PFI V8 Gas engine
- 10-Speed TorqShift®-G automatic transmission
- Available 48-gallon fuel tank
- Available trailer brake controller

### Super Duty® F-350® XLT

- 6.8L 2-Valve DEVCT NA PFI V8 Gas engine
- Automatic high-beam headlamps
- Integrated trailer brake controller
- AdvanceTrac® with RSC® (Roll Stability Control™)

### Super Duty® F-350® Lariat®

- 6.8L 2-Valve DEVCT NA PFI V8 Gas engine
- PowerScope® Trailer Tow Mirrors
- BLIS® with Cross-Traffic Alert and Trailer Coverage
- 360-degree camera

### Super Duty® F-350® King Ranch®

- 7.3L 2-Valve DEVCT NA PFI V8 Gas engine
- Kingsville leather antique interior
- Trailer reverse guidance
- Rear parking sensors

### Super Duty® F-350® Platinum®

- 7.3L 2-Valve DEVCT NA PFI V8 Gas engine
- LED fog lights
- Power deployable running boards
- Power tailgate with retractable tailgate step

### Super Duty® F-450® XL

- 6.7L 4 Valve OHV Power Stroke® V8 Turbo Diesel
- 10-Speed TorqShift® automatic transmission
- Available 48-gallon fuel tank
- Available trailer brake controller

### Super Duty® F-450® XLT

- 6.7L 4 Valve OHV Power Stroke® V8 Turbo Diesel
- Automatic high-beam headlamps
- Integrated trailer brake controller
- AdvanceTrac® with RSC® (Roll Stability Control™)

### Super Duty® F-450® Lariat®

- 6.7L 4 Valve OHV Power Stroke® V8 Turbo Diesel
- PowerScope® Trailer Tow Mirrors
- BLIS® with Cross-Traffic Alert and Trailer Coverage
- 360-degree camera

### Super Duty® F-450® King Ranch®

- 6.7L 4 Valve OHV Power Stroke® V8 Turbo Diesel
- Kingsville leather antique interior
- Trailer reverse guidance
- Rear parking sensors

### Super Duty® F-450® Platinum®

- 6.7L 4 Valve OHV Power Stroke® V8 Turbo Diesel
- LED fog lights
- Power deployable running boards
- Power tailgate with retractable tailgate step

Performance

## It Takes Muscle to Move Mountains

### Big Muscle to Move Big Things

Super Duty® pickups deliver exceptional performance capability thanks to a robust line of gas and diesel engines. For this truck, cranking out remarkable horsepower and torque numbers is what it does best.

### Fully Boxed High-Strength Steel Frame

The fully boxed frame is reinforced with up to 10 crossmembers, which allows it to withstand extreme weight. The frame is designed to minimize flexing and twisting while maximizing strength and torsional rigidity for long-term durability. It serves as the foundation for the Super Duty truck's impressive towing and hauling capability.

Towing & Hauling

# Out Classes the Rest

## Best-in-Class 40,000 lbs. Max Available Towing

The Super Duty pickup has earned a reputation for its capacity to move mountains of steel and lumber — which is all due to an available diesel gooseneck towing rating of 40,000 lbs.

## Best-in-Class 8,000 lbs. Max Available Payload

The stronger the muscle, the heavier the load. It takes a sturdy boxed frame and a robust engine to achieve an outstanding maximum available 8,000-lb. payload rating.

## Best-in-Class Gas Horsepower and Torque

The 7.3L OHV PFI Gas V8 isn't just the largest engine in a full-size truck. It also provides the 2025 Super Duty pickup a best-in-class maximum available 430 gas hp and 485 lb.-ft. gas torque. Another reason why Super Duty trucks are relied on to handle almost any job.

Exterior

# Unyielding in Form and Function

## LED Lighting

Available LED side-mirror spotlights and security approach lamps are included with the available PowerScope® Trailer Tow Mirrors. Plus, LED lighting in the truck bed allows you to keep working after dark.

## Power Tailgate with Retractable Step

This available feature lowers the tailgate with the press of a button on the key fob, and raises it with a simple nudge. A retractable step offers extra assistance when climbing in and out of the truck bed.

## 2kW Pro Power Onboard

Keep productivity moving with a ready power source. Use it while off-site or away from an electrical outlet.

Interior

# Conquer the Day in Comfort

## Interior Work Surface

Handle business in comfort wherever the job takes you, with an available ergonomic work surface.

## Available 12-Inch Capacitive Touchscreen

This available feature offers high-resolution clarity with crisp graphics. Customize the cluster to quickly see the information that is most important to you.

## Rear Under-Seat Storage

Super Duty four-door Crew Cab offers an available folding, lockable under-seat box. It's integrated into the floor of the vehicle for convenient and secure storing of tools and gear.

Technology

# Dynamic Tech for Demanding Work

## Head-Up Display

Important information — including speed limit, driver-assist details, and more — is projected onto the windshield. Plus, you can customize the details you see, like off-road and towing-specific information.

## Connected Navigation

Lose yourself in the drive, without getting lost at all. With available Connected Navigation, our maps remain accessible even when cell phone coverage isn't. All on the 12-inch multi-function display.

## Ford Security Package

Get Theft Alerts via the FordPass® app. Included for one year from new vehicle warranty start date.
