Performance

Power for Epic Family Journeys

3.5L EcoBoost® V6 Engine

EcoBoost technology and twin air-to-air intercooled turbochargers provide responsive performance in the Expedition® SUV.

- Direct Injection Helps Maximize the 400 Horsepower
- 480 lb.-ft. of Torque Provides Strong Trailer-Towing Capability

3.5L EcoBoost® V6 High-Output Engine

This available engine helps give you the capability to take on the world, carry the day, and provide unbelievable experiences.

- 440 Horsepower for Confidence-Inspiring Performance
- 510 lb.-ft. of Torque to Help Get Heavy Loads Moving With Ease

Towing Made Easy

Upgraded Standard Towing Capacity

4x2 Expedition models offer a max towing capacity of up to 6,000 lbs., when properly equipped

Heavy-Duty Trailer Tow Package

4x4 Expedition models deliver an impressive max towing capacity of up to 9,600 lbs. with the standard Heavy-Duty Trailer Tow Package, helping you confidently take the boat, trailer, and more.

Design

Exterior

Versatile Cargo Tailgate Manager

The available, all-new Cargo Tailgate Manager triples as a tailgate seat backrest, shelf, or table with a 35-lb. capacity. So, it can be easily adapted to suit your needs anywhere from game-day tailgates and ballfield parking lots to remote campsites.

Multi-Function Ford Split Gate

The brand-new, multi-function Ford Split Gate features powered upper and lower halves that can be configured to fit larger items like kayaks and lumber. It can also be used as a tailgate seat or loading platform with a massive 500-lb.* capacity.

360-Degree Zone Lighting

Host family and friends, set up camp or tailgates — before sunrise or after dark — with available 360-Degree Zone Lighting. Shining from the headlamps, grille, roof rails, interior liftgate, and spoiler on select models.

Design

Interior

Seating for up to Eight

The power-folding 40/20/40 second-row bench seat — with convenient Tip-and-Slide feature for easier third-row access — provides comfortable seating for up to eight passengers. Available on Expedition® Active, Tremor®, and Platinum® models without the Stealth Appearance Package or Stealth Performance Package.

Flex Powered Console

The available, family-friendly Flex Powered Console slides up for more storage and aisle room. It can be moved back for easier cupholder and console access — ideal for second-row passengers, such as children.

Panoramic 24" Display

The standard and immersive panoramic 24" display can be configured to show important vehicle info — like driving data, maps, and music — safely at eye level. Letting you concentrate on the road ahead while keeping up with the world around.

Connectivity That Inspires Confidence

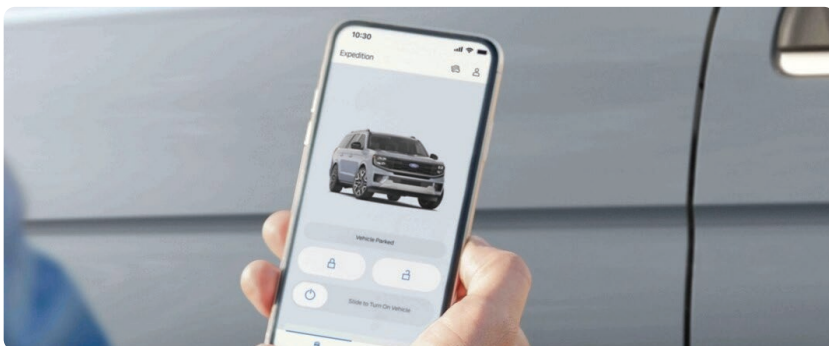

Ford Connectivity Package

Stay connected from anywhere with a built-in Wi-Fi® Hotspot that powers up to 10 devices, integrated Google Maps, streaming with MAX, Prime Video and Peacock, karaoke, games and more. For added convenience, second-row passengers can connect their own tablets — and watch them comfortably — with the available, headrest-mounted digital device holder. The Connectivity Package is included for a year from the warranty start date. Credit card and auto-renew consent is required.

360-Degree Camera System

The standard 360-Degree Camera system, with cameras on the front and rear, lets you see virtually all angles as you park or maneuver.

Use Your Phone As A Key

The available Phone As A Key feature lets you turn your phone into a key fob using the available FordPass® app. You can even locate your vehicle, roll windows up and down, open and close the tailgate, or activate the horn and lights — from places like your house, the stands, or a campsite.
