

THE 2025

CT4

MODELS

LUXURY

With a responsive turbo charged engine, dynamic styling and a suite of safety and driver assistance technology features, the Luxury model brings a striking attitude everywhere you go.

PREMIUM LUXURY

The Premium Luxury model delivers enhanced styling and substance, raising the bar even higher with elegantly crafted leather seating surfaces, an available 2.7L Dual-Volute Turbocharged engine and other upgrades.

SPORT

The Sport model is a heightened expression of speed and agility. From Alloy Paddle Shifters to available Brembo® V-Performance front brakes, every inch of your CT4 will look and feel fast.

DYNAMIC AND AGILE PERFORMANCE

BREMBO® V-PERFORMANCE BRAKES

Wield the performance power of CT4 with available front Brembo V-Performance brakes. Featuring four-piston fixed calipers available in red or blue and patented Duralife rotors, these brakes are beautiful, durable and deliver stopping power.

10-SPEED TRANSMISSION

More power at your fingertips. Experience exceptional performance and lightning-fast shift times with our available 10-speed automatic transmission, perfectly paired with the dynamic 2.7L turbo-charged engine. Elevate your driving experience to new heights.

REAR-WHEEL DRIVE & ALL- WHEEL DRIVE: THE CONFIDENCE YOU NEED

Designed with poise and swiftness in mind, CT4 includes standard Rear-Wheel Drive for exceptional balance and handling. For additional traction in inclement weather, CT4 also features available All-Wheel Drive.

POWERFUL TURBOCHARGED ENGINES

Take your CT4 to the next level with the available 2.7L Dual-Volute Turbocharged engine (available on Premium Luxury), delivering 310 hp and 350 lb-ft (475 Nm) of torque. Or, the standard 2.0L Twin-Scroll Turbocharged engine delivers 237 hp and 258 lb-ft (350Nm) of torque with premium gasoline for a responsive and nimble drive.

DRIVER MODE SELECTOR

In CT4, every drive is personal. Choose from four driver-select modes: Tour, Sport, Snow/Ice and My Mode, which allows you to set your own preferences for steering, engine sound and brake feel.

INTERIOR

The image shows the rear passenger area of a car. Three seats are visible, each with a seatbelt. The seats have a dark, perforated leather-like texture. The seatbelts are black with red accents on the buckles. The overall lighting is dim, highlighting the textures and contours of the interior.

REFINED CABIN

The instrument panel pairs with refined materials throughout the cabin for a sophisticated and elegant interior design.

SOPHISTICATED DETAILING

CT4 features an available thick-rim, leather-wrapped steering wheel with dimpled leather accents and alloy paddle shifters to further refine your experience.

BOSE® PREMIUM SURROUND SOUND SYSTEM

Standard Active Noise Cancellation on CT4 helps create a quiet sound canvas in the cabin for the available Bose Premium Surround Sound system to paint crisp, vibrant audio. It's fine art for the ears.

INNOVATE YOUR DRIVE

HANDS-FREE SUPER CRUISE

Experience the evolution of driving with CT4's available Hands-Free Super Cruise driver assistance technology. Offering more miles of compatible roads than any other system, Super Cruise offers the largest hands-free driving network in North America. With Automatic Lane Change guiding you through traffic and available OnStar technology keeping your maps up to date, Super Cruise is revolutionizing your driving experience.

FULL COLOR HEAD UP DISPLAY

CT4's available Head Up Display (HUD) projects key information – including speed, navigation, phone and music details – onto the windshield in your line of sight, helping you stay focused on the road ahead.

12" DIAGONAL HD CLUSTER

CT4's available 12" diagonal full-color, high-definition instrument cluster can be personalized with the look and information you choose.

AMAZON ALEXA BUILT-IN

The Alexa functionality you enjoy at home is now fully integrated into the Cadillac user experience. With available Amazon Alexa Built-In capability, you can ask Alexa to stream your favorite music, get directions, make calls, change your radio stations and more. Ask anything. Alexa's on board.

SIRIUSXM® WITH 360L

Enjoy a wide array of personalized, premium content for the most advanced entertainment experience ever offered by SiriusXM. With this available feature, more than 200 channels, personalized recommendations, mobile device compatibility and even live sports provide an incredible entertainment suite.

WIRELESS CONNECTIVITY

Enjoy a cord-free connection. Keep your device charged using the wireless charging pad. Seamlessly integrate your smartphone with the touchscreen to access onboard integrated apps for music, maps, even Amazon Alexa Built-In.

myCADILLAC MOBILE APP

While you're on the go, you're in tune with your vehicle with the available myCadillac Mobile App. Send remote commands, manage and schedule your vehicle's maintenance, set and share custom notifications and control your vehicle from the same device you use to control other parts of your life.

INGENUITY IN MOTION

Adapt to the road ahead with CT4's cutting-edge safety and driver-assistance features, empowering you to drive with confidence.
