- 0-60 mph in 3.4 seconds

Ford

Charging

Power up at home. Choose the Ford Connected Charge Station or get a complimentary home charger station with the Ford Power Promise. You can also access the BlueOval™ Charge Network.

Range

Check that road trip off the bucket list. The Mustang Mach-E® Premium model can get an EPA-estimated range of 320 miles with an extended-range battery and RWD.

Scheduled Maintenance Savings

Enjoy estimated savings of more than 51% compared to a gas-powered 2024 Escape® SUV. Over 5 years or 75,000 miles — whichever comes first — the average cost is \$1,569 for gas and \$758 for electric.

Performance

Run Free

Design

Interior

The Best Seats Out of the House

With space for five, this is your new family room. The Mustang Mach-E Premium model adds a little more luxury with heated and ventilated front seats trimmed with ActiveX® material.

Tech Within Reach

The center stack screen is your mission control interface. Pilot your drive with SYNC® 4A or add fun to your wait with available video streaming

Cargo Space

Secure items in the storage area under the adjustable load floor, and get up to 59.7 cu. ft. of space behind the front seats when you fold down the second row. You can also find a little extra room in the frunk.

Technology

Innovation at Every Turn

Wireless Apple CarPlay & Android Auto

Use the touchscreen or voice commands to access some of your favorite apps.¹⁶¹ Listen to music or podcasts, make hands-free calls, and take your digital life on the road — wirelessly.

Ford Connectivity Package

Access Connected Navigation, Alexa Built-in, and a 5G Wi-Fi hotspot that can power up to 10 devices. Ready for a break? Show off your pipes with new in-vehicle karaoke, or stream YouTube on your 15.5" display while parked.

Driver-Assist Technology

Feel confident in a busy and distracted driving world with a rear-view camera, lane-keeping system, auto high-beam headlamps, and more.
