

**THE 2025 MITSUBISHI
OUTLANDER / SPORT /
PLUG-IN HYBRID**

KEY FEATURES

DRIVE MODE SELECTOR

The Drive Mode Selector allows you to adapt to changing terrain by switching between Eco, Normal, Tarmac, Gravel, Snow and Mud modes.

4-CYLINDER ENGINE

We developed the 2025 Outlander's 2.5-liter 4-cylinder engine to enhance horsepower and torque while also improving fuel economy.

ELECTRIC POWER STEERING

Whether you're off-road or in the city, steering feels more intuitive with the 2025 Outlander's dual-pinion electric power steering.

SUSPENSION

The new 2025 Outlander's suspension features lightweight and high-rigidity aluminum components, hollow stabilizing bars, and anti-vibration support.

TRACTION & BRAKING

The 2025 Outlander Sport boasts impressive handling and stability thanks to anti-lock braking system with Electronic Brakeforce Distribution (EBD) and Brake Assist.

PLUG-IN HYBRID

GO OUT OF YOUR WAY

Enjoy the outstanding fuel economy of a premium hybrid vehicle while harnessing the power you expect from a gas-powered SUV. Our advanced lithium-ion battery pack delivers an all-electric range of 38 miles on a full charge, so you can enjoy everyday driving using 100% eco-friendly power. Drive in hybrid mode for far-ranging weekend adventures with up to 420 miles of total range.

DECADES OF EV KNOWLEDGE

The 2025 Outlander Plug-in Hybrid SUV's cutting-edge hybrid powertrain is the result of more than sixty years of research and technological development.

For decades, Mitsubishi Motors has been at the forefront of developing technologies to reduce emissions and help tackle urgent environmental concerns such as global warming and air pollution. We're proud of our advancements in PHEV technology, which continue to push the boundaries of what's possible and has contributed to the shift toward hybrid and electric vehicles (EVs) in the automotive industry.

OUTLANDER SPORT TRAIL EDITION

Chase excitement wherever you go with all-season tires, all-weather floor mats and more, in the versatile and economical Outlander Sport Trail Edition.

TECHNOLOGY

APPLE CARPLAY & ANDROID AUTO

Wirelessly connect your iPhone to the 2025 Outlander and easily access your favorite apps on the touchscreen with Apple CarPlay and Android Auto.

WIRELESS CHARGING STATION

Quickly and easily keep your phone at peak performance with the 2025 Outlander's redesigned 15W wireless charging capabilities.

HOMELINK

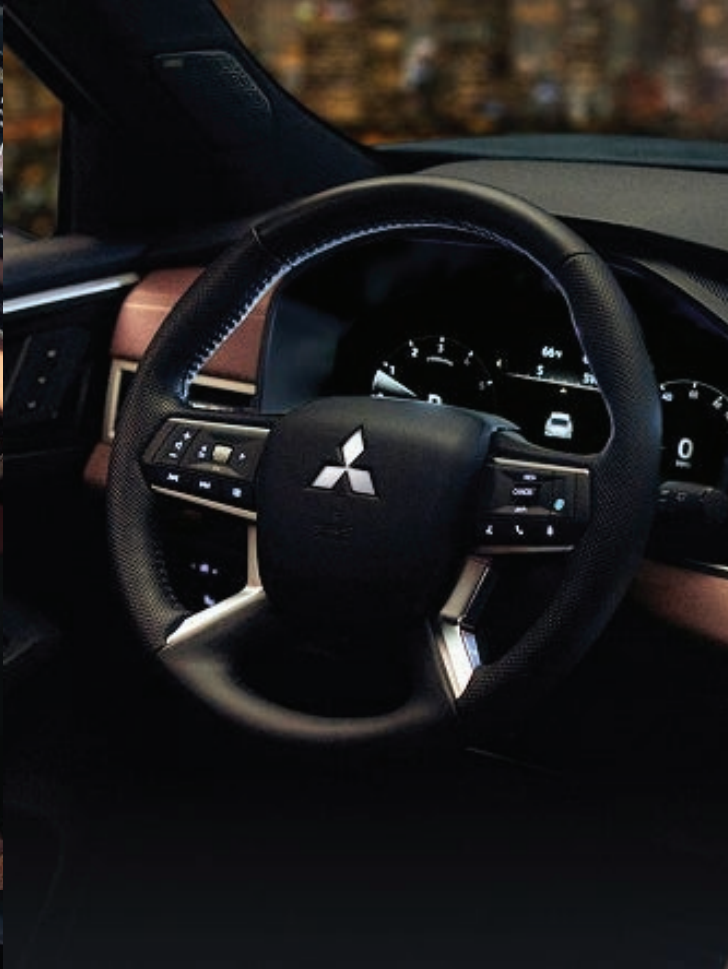

The HomeLink system wirelessly connects to your Outlander with the electronic systems in your home so you can easily open or close a garage door or gate without leaving your car.

HEAD-UP DISPLAY

The available 10.8" Head-Up Display puts information right on your windshield, so you can stay informed without taking your eyes off of the road.

LANE-CENTERING TECHNOLOGY

Helps keep the vehicle centered in your lane by making minor steering adjustments (driver's hands must still be on the steering wheel).

SAFETY FEATURES

ACTIVE BLIND SPOT ASSIST

Alerts the driver when a vehicle is in or approaching their blind spot. If the driver continues to change lanes with a vehicle in their blind spot, Active Blind Spot Assist applied slight braking.

REAR AUTOMATIC EMERGENCY BRAKING

Sonor sensors near the rear bumper can detect objects. If something is too close, it will issue an audible warning and attempts to stop the vehicle.

BLIND SPOT WARNING

When a vehicle approaches your blind spot, a warning light will appear in the corresponding side mirror and the system will beep three times.

FORWARD COLLISION MITIGATION W/ PEDESTRIAN DETECTION

Detects potential frontal collisions with objects or other vehicles and provides audible and visual alerts. If a collision is unavoidable, the system will apply the brakes.
