

PROVENANCE CERTIFIED PRE-OWNED

AN EVERLASTING SPIRIT

Provenance is our collection of certified pre-owned motor cars, each with its own rich history. Crafted to live many lifetimes, Rolls-Royce motor cars only become more alluring with time, as ownership passes from one patron to another.

WHAT IS PROVENANCE PRE-OWNED?

Our legendary and unrivalled attention to detail is no different for a previously -owned Rolls-Royce, than it is for the motor cars leaving Goodwood today. It begins with the selection of the Provenance motor car itself. We only feature those that have been meticulously cared for and maintained at the highest level, with an exhaustive written record to prove it.

THE LEGACY CONTINUES

Before we award the Provenance title each Rolls-Royce Motor Car must be thoroughly trialled and tested through a comprehensive 360 inspection in order to meet our exacting standards. As a Provenance owner, you will experience a Rolls-Royce that drives as beautifully as it did the day it was released from Goodwood.

BESPOKE TO YOU

Tailor your Provenance motor car by selecting from a breadth of available Bespoke features. Embroider your headrests with the family crest. Befit the roof with a mesmeric Starlight Headliner. Or reimagine the Spirit of Ecstasy in a precious metal of your choice. Your every request can be realised when working alongside our Bespoke artisans.

GOODWOOD AT HEART

Protect the integrity of your Provenance motor car through aftercare services provided by expert technicians trained at Goodwood, the Home of Rolls-Royce. All Provenance vehicles receive up to two years of servicing, warranty, and roadside assistance. And all repairs and refurbishments are carried out using Rolls-Royce Genuine Parts.
