Please describe the main reasons that you approve/disapprove of the job President Biden is doing. [Open Ended Response]

AI SUMMARY:

Based on the verbatim responses provided, the overview of sentiments regarding President Joe Biden, can be categorized into several themes:

*****Positive Sentiments:*****

- Handling of COVID-19: Respondents appreciate the control measures and support during the pandemic.*
- Economic Management: Some believe the economy is improving or stabilizing under his leadership.*
- Support for Ukraine: Approval of his stance and assistance to Ukraine.*
- Infrastructure and Legislation: Positive reception of the infrastructure bill and other laws.*
- Empathy and Leadership: A few respondents view him as a caring, honest, and decent leader.*

*****Negative Sentiments:*****

- Age and Mental Fitness: Concerns about his age and mental acuity are frequently mentioned.*
- Economic Issues: High inflation, poor handling of the economy, and rising gas prices are common criticisms.*
- Immigration Policy: Disapproval of his approach to immigration and border control.*
- Foreign Policy: Some respondents are unhappy with his foreign policy decisions, including the handling of the Israel/Palestine conflict.*
- General Disapproval: A number of responses simply state a general disapproval without specific reasons.*

*****Neutral/Mixed Sentiments:*****

- Effort and Intent: Some acknowledge his efforts and intentions even if they do not agree with all his policies.*
- Comparison to Predecessor: Mixed feelings on his performance compared to the previous administration.*

This overview captures the range of sentiments expressed in the verbatim responses, highlighting both the areas of approval and disapproval among the respondents.

Did you vote in the 2020 presidential election?

What political issues do you see as most important for politicians to address during the 2024 elections? Feel free to list as many issues as you feel politicians should address during the 2024 elections. [Open Ended Response]

AI SUMMARY

Top Issues:

- **Economy:** A significant number of responses highlight concerns about inflation, the cost of living, economic stability, and job market issues. Respondents are worried about the state of the economy and its impact on the middle class.
- **Immigration and Border Control:** Many verbatims express concerns about immigration policies, border security, and the border crisis. This indicates a strong interest in how the country is managing its borders and immigration.
- **Healthcare:** Access to healthcare, healthcare costs, and healthcare for the homeless are recurring topics. Respondents are concerned about the availability and affordability of healthcare services.
- **Abortion and Women's Rights:** Abortion rights, reproductive issues, and women's rights are frequently mentioned, reflecting the public's attention to these social issues.
- **Gun Control and Violence:** Gun control, gun rights, and gun violence are significant concerns, suggesting a divided opinion on firearm regulations and their impact on public safety.
- **Climate Change and Environment:** Climate change, environmental issues, and policies related to these topics are mentioned, indicating an awareness of and concern for environmental sustainability.
- **Education:** Issues related to education funding, access, and border control within the context of education are noted, showing that education is a priority for some respondents.
- **Foreign Policy:** References to Ukraine, Russia, Israel, and other international conflicts suggest that foreign policy is a matter of interest and concern.
- **Social Issues:** Topics such as homelessness, LGBTQ rights, racial equality, and social justice are mentioned, indicating that respondents are attentive to a range of social challenges.
- **Government and Political Issues:** Government corruption, political divide, and the performance of political parties are also discussed, reflecting concerns about the integrity and effectiveness of the political system.

These themes represent a broad spectrum of public concerns and priorities that could inform policy discussions and campaign strategies in the public sector.

Sponsorship:	None
Fieldwork:	Big Village CARAVAN® Omnibus Survey
Interviewing Dates:	01/26/24 - 01/28/24
Target Population:	U.S. Adults, age 18 and over
Sampling Method:	Respondents were selected from CINT/Lucid marketplace's opt-in online panel to be representative of U.S. adults.
Weighting:	The results are weighted based on gender, age, education, race, ethnicity, and 2020 presidential vote (or non-vote). Weighting targets are based on the most recent results from the Census Bureau's American Communities Survey and the 2020 Presidential Election results.
Number of Respondents: (Unweighted)	Adults: 1,017 Registered Voters: 864 Likely Voters: 777
Margin of Error: (Theoretical)	Adults: +/- 3% Registered Voters: +/- 3% Likely Voters: +/- 3%
Survey Mode:	Web-based interviews
