

This data was collected using Big Village’s Online CARAVAN® omnibus survey. Approximately 1,000 adults (18+) selected from opt-in online panels were surveyed. The results are weighted based on gender, age, education, race, ethnicity, and 2020 presidential vote (or non-vote). Weighting targets are based on the most recent results from the Census Bureau’s American Communities Survey and the 2020 Presidential Election results. The average margin of error is +/- 3.1% for Adults and +/- 3.4% for Registered Voters.

If you have questions or would like to find out more about our polling data, please contact us at publicopinionpolling@big-village.com. Additional demographic cuts available upon request.

Trended data is reported at monthly intervals with weekly data rolled up into corresponding months

How much do you approve or disapprove of the job President Biden is doing?
