WEDDING INFORMATION

"We loved everything about our wedding at The Boathouse at Sunday Park. We looked at many wedding venues and once we saw The Boathouse at Sunday Park we knew it was the place for us. One thing we loved about it was that it's all inclusive - linens, chairs, food/drinks, ceremony, reception, etc all in one."

EVENTS IN THE GARDEN PAVILION

The Garden Pavilion is a fully enclosed, heated and air-conditioned building with white-washed wood, exposed ceiling beams, and a beautiful stone fireplace. Glass doors on one side of the Pavilion open onto a private deck that overlooks a panoramic view of the lake. A perfect space for a memorable event.

In the Pavilion, we can seat up to 100 guests or 120 guests for a stand-up (hors d'oeuvres) event. In-Season, the tented deck allows for up to 150 seated guests. With additional tenting, the capacity increases to 200 seated guests, or 250 for a stand-up reception.
