Alexander, Winton & Associates is the leading transportation specific collections agency that provides superior collection services for motor carriers, freight brokers, factoring companies and other transportation related entities in North America. Transportation collections is all we do!

AWA is here to help you collect on unpaid debts associated with freight charges, damage claims, accessorial charges, and other transportation related debts.

RISK FREE:

- Free consultation
- Contingency based fees – If we do not collect you do not owe us a thing!

GET MORE:

- Our collection fees are up to 20% lower than the industry average.
- Free Rules Tariff for motor carriers.
- Free Identity Theft Protector Tool to confirm the people you're talking to are who they say they are.
- Free use of **Freight Checkers**, the trucking industry's only rating and review site specifically tailored to factoring companies and motor carriers, with a much more proactive, detailed Broker Alert that notifies you of ID Theft, nonpayment, and double brokering scams. Visit www.freightcheckers.com for more information.

STAY INFORMED:

- Sign up for our free weekly AWA Broker Alerts!
- Instant updates through our online client portal: It is your money, and you deserve to know the status of your accounts at any time! We believe in total transparency!
- Direct contact: Do not deal with an automated answering menu. Your calls come directly to our office. You call, we answer.

LITIGATION:

- If litigation becomes necessary to recover your money, we will cover the costs associated with filing the lawsuit, so you can focus on other matters.
- AWA currently works with over 30 attorneys across the US and Canada who all specialize in Commercial Collections and Transportation.
