

GENERAL RENTAL INFORMATION

HAULING, MAINTENANCE AND REPAIRS:

The Lessee is responsible for the cost of all hauling, maintenance, operational and repair expenses for the equipment including field service and travel time, meals, sleeping accommodations and mileage for personnel involved.

INSURANCE:

The Lessee, at their own expense, shall immediately insure the equipment for the appropriate amount and provide proof in writing to the Lessor. Lessee shall supply ALL RISK insurance with confirmation faxed to (780) 955-5509

RENTAL-PURCHASE AGREEMENT:

The Lessor may subsequently sell the equipment to the Lessee on such terms as may be agreed in writing but the Lessor will not agree to discount the purchase price by any rentals paid if the Lessee has breached any of the terms of the Equipment Rental Agreement.

CREDIT INFORMATION:

The Lessor may acquire, collect and obtain credit and personal information about the Lessee(s) as it may deem necessary in connection with the credit applied for or any renewal or extension relating to the enforcement of the Equipment Rental Agreement.

SPECIAL CONDITIONS:

- Lessee shall now allow and shall fully indemnify the Lessor for any work-orders, garage keepers' liens or other liens against the equipment arising by reason of or while in the Lessee's possession.
- Lessee shall be responsible for and shall maintain current and adequate certifications in accordance with all provincial and federal regulations.
- Any excess tire wear or damage will be assessed by a third party and billed to the lessee.
- Lessee is responsible for any damage to unit howsoever caused.
- Rented unit(s) must be returned to yard washed and cleaned. If unit requires washing upon return to our yard, then minimum wash charge of \$150.00 will be charged for the first hour. Any additional wash time required will be charged out at \$100.00 per hour.
