Courage Under Fire

Scripture: 1 Samuel 17 (NLT)

NOTES:

HOMEGROUP & PERSONAL STUDY QUESTIONS

Scripture: 1 Samuel 17 (NLT)

1. Consider the fearsome giant(s) in your life. When you are stricken with fear, anxiety, depression, or other negative situations, where does your mind go? Does the Kingdom of God and God's all-powerfulness comfort you?
2. We heard the story of David facing off with Goliath in our teaching. David, young, without shield or armor, and armed with a sling and stones, toppled Goliath. How often do you feel inadequate in the face of your challenges? In what ways might you describe God using you as you are, to stand up to or overcome those challenges?
3. Pastor Bill quoted A.W. Tozer; "What comes into our minds when we think about God is the most important thing about us." How would you respond to this quote?
4. In David's encounter with God, he was sure that "today the world will know there is a God." In what ways does your life reveal there really is a God?
5. Are you aware of any weaknesses you may have in representing the power of God in you? How do you prepare yourself for "giant" encounters?
