LEADERSHIP

Senator Blake "Cowboy" Stephens
Senator Grant Green

Representative Eddy Dempsey
Representative Kevin Wallace

Since its inception, the Oklahoma Legislative Sportsmen's Caucus has championed legislation that benefits Oklahoma's sportsmen and women, as well as the Sooner State's public trust fish and wildlife resources. In addition, the Caucus has played a central role in assisting CSF with generating support from the Oklahoma Congressional delegation on important federal legislation that benefits our natural resources and our outdoor heritage in Oklahoma and across the nation. The Caucus remains engaged on issues that affect the nation's original conservationists by protecting and advancing hunting, angling, recreational shooting, and trapping within the Sooner State.

Policy Highlights

- The Oklahoma Legislative Sportsmen's Caucus remains steadfast in their support for the rights of Oklahomans to possess and use firearms. This includes efforts to halt legislation that would undermine the state's preemption of firearm laws that could have created a burdensome patchwork of laws and regulations for law-abiding sportsmen and women.
- 2022 - Oklahomans now have the opportunity to hunt with arrow-shooting airguns during firearms deer seasons while still contributing to conservation funding following the passage of SB 1571.
- 2021 - The Oklahoma Legislative Sportsmen's Caucus sponsored SCR 5 which encouraged Oklahoma's public school districts to incorporate Hunter Education into their middle of high school curriculums. SCR 5 was adopted unanimously in both chambers.
