LEADERSHIP

Senator Robin Titus
Senator Skip Daly

Assembly Member Howard Watts
Assembly Member Bert Gurr

Since its inception, the Nevada Legislative Sportsmen's Caucus has championed legislation that benefits Nevada's sportsmen and women, as well as the Silver State's public trust fish and wildlife resources. In addition, the Caucus has played a central role in assisting CSF with generating support from the Nevada Congressional delegation on important federal legislation that benefits our natural resources and our outdoor heritage in Nevada and across the nation. To date, the Caucus remains engaged on issues that affect the nation's original conservationists by protecting and advancing hunting, angling, recreational shooting, and trapping within the Silver State.
